Item 1.01. Entry into a Material Definitive Agreement.***Warrant Exercise Agreement***

On January 10, 2024, Intuitive Machines, Inc. (the “Company”) entered into a warrant exercise agreement (the “warrant exercise agreement”) with an existing accredited investor (the “Investor”) to exercise in full an outstanding Series B Common Stock Purchase Warrant (the “Exercise”) to purchase up to an aggregate of 4,705,883 shares of the Company’s Class A common stock (the “Existing Series B Warrant”). In consideration for the immediate and full exercise of the Existing Series B Warrant for cash, the Investor received (i) a new unregistered Series A Common Stock Purchase Warrant to purchase up to an aggregate of 4,705,883 shares of the Company’s Class A common stock (the “New Series A Warrant”) and (ii) a new unregistered Series B Common Stock Purchase Warrant to purchase up to an aggregate of 4,705,883 shares of the Company’s Class A common stock (the “New Series B Warrant” and together with the New Series A Warrant, the “New Warrants”) in a private placement pursuant to Section 4(a)(2) of the Securities Act of 1933 (the “Securities Act”). In connection with the Exercise, the Company also agreed to reduce the exercise price of the Existing Series B Warrant from \$4.75 to \$2.50 per share and the exercise price of a Series A Common Stock Purchase Warrant held by the Investor, which is exercisable for up to 4,705,883 shares of the Company’s Class A common stock (the “Existing Series A Warrant” and together with the Existing Series B Warrant, the “Existing Warrants”), from \$4.75 to \$2.75 per share.

The New Series A Warrant will become exercisable commencing upon the Company’s receipt of final Stockholder Approval (as defined below), including following expiration of any waiting period required pursuant to Section 14C of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), with an expiration date five and one-half years after the date of the Stockholder Approval, with an exercise price per share equal to \$2.75. The New Series B Warrant will become exercisable commencing upon the Company’s receipt of final Stockholder Approval, including following expiration of any waiting period required pursuant to Section 14C of the Exchange Act, with an expiration date of 18 months after the date of the Stockholder Approval, with an exercise price per share equal to \$2.75. The Company agreed to (i) file a resale registration statement on Form S-1 or Form S-3, if eligible, within 30 days with respect to the New Warrants and the shares of common stock issuable upon exercise of the New Warrants, (ii) obtain written consent from holders representing more than 50% of the voting power of the Company’s outstanding voting stock eligible to vote at a meeting of the Company’s stockholders in lieu of a special meeting (the “Stockholder Approval”) to approve, under The Nasdaq Stock Market LLC rules, the issuance of New Warrant Shares upon the exercise of the New Warrants and (iii) file an information statement on Schedule 14C under Section 14 of the Exchange Act disclosing such Stockholder Approval on or prior to the date that is 15 days following the Closing Date (as defined in the warrant exercise agreement). The New Warrants include beneficial ownership restrictions that prevent the Investor from owning more than 9.99% of the Company’s outstanding common stock at any time.

The gross proceeds to the Company from the Exercise was approximately \$11.8 million, prior to deducting estimated offering expenses.

The foregoing descriptions of the warrant exercise agreement and the New Warrants are not complete and are qualified in their entirety by reference to the full text of the form of warrant exercise agreement, the form of the New Series A Warrant and the form of the New Series B Warrant, copies of which are attached hereto as Exhibits 10.1, 4.1 and 4.2, respectively, to this Current Report on Form 8-K and are incorporated by reference herein.

Item 3.02. Unregistered Sales of Equity Securities.

The information in Item 1.01 above is incorporated herein by reference. The New Warrants described in Item 1.01 above were offered in a private placement pursuant to an applicable exemption from the registration requirements of the Securities Act and, along with the shares of Class A common stock issuable upon the exercise thereof, have not been registered under the Securities Act, and may not be offered or sold in the United States absent registration with the Securities and Exchange Commission or an applicable exemption from such registration requirements. The securities were offered only to accredited investors.

This report shall not constitute an offer to sell or a solicitation of an offer to buy nor shall there be any sale of these securities in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to the registration or qualification under the securities laws of any such state or jurisdiction.
