This Agreement and each other Transaction Document to which the Company is a party has been (or upon delivery will have been)

duly executed by the Company and, when duly executed by the other parties thereto and delivered in accordance with the terms hereof and thereof, will constitute the valid and binding obligation of the Company enforceable against the Company in accordance with its terms, except (i) as limited by general equitable principles and applicable bankruptcy, insolvency, reorganization, moratorium and other laws of general application affecting enforcement of creditors' rights generally, (ii) as limited by laws relating to the availability of specific performance, injunctive relief or other equitable remedies and (iii) insofar as indemnification and contribution provisions may be limited by applicable law.

(c) The execution, delivery and performance by the Company of this Agreement and the other Transaction Documents to which it is a party, the issuance of the Shares and the consummation by the Company of the transactions contemplated hereby and thereby do not and will not (i) conflict with or violate any material provision of the Company's certificate of incorporation or bylaws, or (ii) conflict with, or constitute a default (or an event that with notice or lapse of time or both would become a default) under, result in the creation of any Lien upon any of the properties or assets of the Company or any Subsidiary, or give to others any rights of termination, amendment, anti-dilution or similar adjustments, acceleration or cancellation (with or without notice, lapse of time or both) of, any agreement, credit facility, debt or other instrument (evidencing a Company or Subsidiary debt or otherwise) to which the Company or any Subsidiary is a party or by which any property or asset of the Company or any Subsidiary is bound or affected, (each a "**Contract**") or (iii) assuming the accuracy of the representations and warranties of each Purchaser set forth in Section 3.2 of this Agreement, conflict with or result in a violation of any law, rule, regulation, order, judgment, injunction, decree or other restriction of any court or governmental authority to which the Company or a Subsidiary is subject (including federal and state securities laws and regulations), or by which any property or asset of the Company or a Subsidiary is bound or affected; except in the case of each of clauses (ii) and (iii), such as would not cause Material Adverse Effect.

(d) Assuming the accuracy of the representations and warranties of each Purchaser set forth in Section 3.2 of this Agreement, the Company is not required to obtain any consent, waiver, authorization or order of, give any notice to, or make any filing or registration with, any court or other federal, state, local or other governmental authority, self-regulatory organization or other person in connection with the execution, delivery and performance of this Agreement or the other Transaction Documents (including, without limitation, the issuance of the Shares), other than (i) filings required by applicable state securities laws, (ii) the filing of the Registration Statement pursuant to the Registration Rights Agreement, (iii) filings required by the Commission, (iv) filings required by the Trading Market, and (v) those filings, the failure of which to obtain would not have a Material Adverse Effect.

(e) The Shares are duly authorized and, when issued and paid for in accordance with this Agreement, will be duly and validly issued, fully paid and nonassessable, free and clear of all Liens imposed by the Company, except for restrictions on transfer imposed by applicable securities laws.

(f) Neither the Company nor any of its Subsidiaries has any liabilities of any nature (whether accrued, absolute, contingent or otherwise) that would be required under GAAP, to be reflected on a consolidated balance sheet of the Company (including the notes thereto) except

liabilities (i) reflected or reserved against in the consolidated balance sheet (or the notes thereto) of the Company and its Subsidiaries as of September 30, 2025 (the “Balance Sheet Date”) included in the SEC Reports, (ii) incurred after the Balance Sheet Date in the ordinary course of business and, in any case, do not arise from any material breach of a Contract, (iii) expressly contemplated by this Agreement or otherwise incurred in connection with the transactions contemplated hereby, (iv) that have been discharged or paid prior to the date hereof, (v) as otherwise disclosed in the Company’s quarterly report on Form 10-Q for the quarter ended September 30, 2025 or in SEC Reports filed or furnished after the filing of such Form 10-Q and prior to the date hereof or (vi) as would not, individually or in the aggregate, have had or reasonably be expected to have, a Material Adverse Effect.

(g) Except as disclosed in the SEC Reports or as otherwise would not, singly or in the aggregate, reasonably be expected to result in a Material Adverse Effect, there is no action, suit, proceeding, inquiry or investigation before or brought by any Governmental Entity (including, without limitation, NASA and the U.S. Department of Defense) now pending or, to the knowledge of the Company, threatened, against or affecting the Company or any of its Subsidiaries (collectively, an “**Action**”), which would adversely affect its properties or assets, the consummation of the transactions contemplated in this Agreement or the performance by the Company of its obligations hereunder, or the legality, validity or enforceability of the Transaction Documents; and the aggregate of all pending legal or governmental actions, suits, inquiries, investigations or proceedings to which the Company or any of its Subsidiaries is a party or of which any of their respective properties or assets is the subject which are not described in the SEC Reports, including ordinary routine litigation incidental to the business, would not, singly or in the aggregate, reasonably be expected to result in a Material Adverse Effect. The Commission has not issued any stop order or other order suspending the effectiveness of any registration statement filed by the Company under the Exchange Act or the Securities Act.

(h) Assuming the accuracy of each Purchaser’s representations and warranties set forth in Section 3.2 of this Agreement, (i) no registration under the Securities Act or any state securities (or Blue Sky) laws is required for the offer and sale of the Shares by the Company to such Purchaser and (ii) no consent, approval, order or authorization of, or registration, qualification, designation, declaration or filing with, any federal, state, local or other governmental authority, self-regulatory organization or other person is required on the part of the Company in connection with the consummation of the transactions contemplated by this Agreement (including, without limitation, the issuance of the Shares), except for filings pursuant to the Exchange Act, Regulation D of the Securities Act and applicable state securities laws and any such filings required by the applicable Trading Market.

(i) Neither the Company nor any person acting on its behalf has engaged in any form of general solicitation or general advertising (within the meaning of Regulation D) in connection with any offer or sale of the Shares. The Shares are not being offered in a manner involving a public offering under, or in a distribution in violation of, the Securities Act or any state securities laws. Neither the Company nor any person acting on the Company’s behalf has, directly or indirectly, at any time within the past six (6) months, made any offer or sale of any security or solicitation of any offer to buy any security under circumstances that would cause the offering of the Shares pursuant to this Agreement to be integrated with prior offerings by the Company for purposes of the Securities Act or any applicable stockholder approval provisions. Neither the

Company nor any person acting on the Company's behalf has offered or sold any securities, or has taken any other action, which would reasonably be expected to subject the offer, issuance or sale of the Shares, as contemplated hereby, to the registration provisions of the Securities Act.

(j) No labor disturbance or dispute exists or, to the knowledge of the Company, is imminent with respect to any of the employees of the Company, which would reasonably be expected to cause a Material Adverse Effect.

(k) The operations of the Company and its Subsidiaries are and have been conducted at all times in compliance with applicable financial record-keeping and reporting requirements of the Currency and Foreign Transactions Reporting Act of 1970, as amended, applicable money laundering statutes and applicable rules and regulations thereunder (collectively, the "**Money Laundering Laws**"), and no action, suit or proceeding by or before any Governmental Entity involving the Company or any of its Subsidiaries with respect to any Money Laundering Laws is pending or, to the best knowledge of the Company, threatened.

(l) Except as would not cause a Material Adverse Effect, the Company is in all material respects in compliance with applicable provisions of the Sarbanes-Oxley Act of 2002, as amended, and the rules and regulations thereunder.

(m) The Common Stock is eligible for clearing through The Depository Trust Company ("**DTC**"), through its Deposit/Withdrawal At Custodian system, and the Company is eligible and participating in the Direct Registration System of DTC with respect to the Common Stock. The Company's Transfer Agent is a participant in DTC's Fast Automated Securities Transfer Program.

(n) The Company is solely responsible for the payment of any fees, costs, expenses and commissions of the Placement Agent.

(o) As of their respective filing dates, or, if amended, as of the date of such amendment, which shall be deemed to supersede such original filing, all reports, schedules, forms, statements and other documents required to be filed by the Company under the Securities Act and the Exchange Act, including pursuant to Section 13(a) or 15(d), thereof, for the two (2) years preceding the date hereof (or such shorter period as the Company was required by law or regulation to file such material) (the foregoing materials, including the exhibits thereto and documents incorporated by reference therein, being collectively referred to herein as the "**SEC Reports**") complied in all material respects with the applicable requirements of the Securities Act and the Exchange Act, and the rules and regulations of the Commission promulgated thereunder, and none of the SEC Reports, when filed, or, if amended, as of the date of such amendment, which shall be deemed to supersede such original filing, contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. As of the date hereof, there are no material outstanding or unresolved comments in comment letters received by the Company from the staff of the Division of Corporation Finance of the Commission with respect to any of the SEC Reports.

(p) The financial statements of the Company included in the SEC Reports comply in all material respects with applicable accounting requirements and the rules and regulations of the Commission with respect thereto as in effect at the time of filing, or, if amended, as of the date of such amendment, which shall be deemed to supersede such original filing, and fairly present in all material respects the financial position of the Company as of and for the dates thereof and the results of operations and cash flows for the periods then ended, subject, in the case of unaudited statements, to normal, year-end audit adjustments. Notwithstanding the foregoing, this representation and warranty shall not apply to any statement or information in the SEC Reports that relates or arises from any statement or information in the SEC Reports that relates to changes to historical accounting policies of the Company in connection with any order, directive, guideline, comment or recommendation from the Commission or the Company's auditor or accountant that is applicable to the Company (collectively, the "SEC Guidance"), nor shall any correction, amendment, revision or restatement of the Company's financial statements due wholly or in part to the SEC Guidance or any other accounting matters, nor any other effects that relate to or arise out of, or are in connection with or in response to, any of the foregoing or any changes in accounting or disclosure related thereto, be deemed to be a breach of any representation or warranty by the Company or material noncompliance for purposes of this Agreement or the other Transaction Documents.

The outstanding shares of capital stock or other equity interests of the Company have been duly authorized and validly issued and are fully paid and non-assessable. None of the outstanding shares of capital stock or other equity interests of the Company were issued in violation of any preemptive or other similar rights of any securityholder of the Company. No Person has any right of first refusal, preemptive right, right of participation, or any similar right to participate in the transactions contemplated by the Transaction Documents that has not been waived. Except as disclosed in the SEC Reports, there are no outstanding options, warrants, scrip rights to subscribe to, calls or commitments of any character whatsoever relating to, or securities, rights or obligations convertible into or exercisable or exchangeable for, or giving any Person any right to subscribe for or acquire, any shares of Common Stock, or contracts, commitments, understandings or arrangements by which the Company is or may become bound to issue additional shares of Common Stock or Common Stock Equivalents. Except as disclosed in the SEC Reports, the issuance and sale of the Shares will not obligate the Company to issue shares of Common Stock or other securities to any Person. Except as disclosed in the SEC Reports, there are no outstanding securities or instruments of the Company with any provision that adjusts the exercise, conversion, exchange or reset price of such security or instrument upon an issuance of securities by the Company. Except as disclosed in the SEC Reports, there are no outstanding securities or instruments of the Company that contain any redemption or similar provisions, and there are no contracts, commitments, understandings or arrangements by which the Company is or may become bound to redeem a security of the Company. Except as set forth above and as set forth in the SEC Reports, there are no outstanding (a) shares, equity interests or voting securities of the Company, (b) securities of the Company convertible into or exchangeable for shares or other equity interests or voting securities of the Company, (c) options, warrants or other rights (including preemptive rights) or agreements, arrangements or commitments of any character, whether or not

contingent, of the Company to subscribe for, purchase or acquire from any individual, entity or other person, and no obligation of the Company to issue, any shares of the Company, or any other equity interests or voting securities in the Company or any securities convertible into or exchangeable or exercisable for such shares or other equity interests or voting securities, (d) equity equivalents or other similar rights of or with respect to the Company, or (e) obligations of the Company to repurchase, redeem, or otherwise acquire any of the foregoing securities, shares, options, equity equivalents, interests or rights. (r) The Company is in compliance with applicable Nasdaq continued listing requirements. There are no proceedings pending or, to the Company's knowledge, threatened against the Company relating to the continued listing of the Common Stock on Nasdaq and the Company has not received any notice of, nor is there any reasonable basis for, the delisting of the Common Stock from Nasdaq.

(s) The Company is not an "investment company" within the meaning of the Investment Company Act of 1940, as amended.

(t) The Company and its Subsidiaries (i) are in compliance with any and all applicable federal, state, local and foreign laws, rules, regulations, decisions and orders relating to the protection of human health and safety, the environment or hazardous or toxic substances or wastes, pollutants or contaminants (collectively, "**Environmental Laws**"); (ii) have received and are in compliance with all permits, licenses or other approvals required of them under applicable Environmental Laws to conduct their respective businesses as described in the SEC Reports; and (iii) have not received notice of any actual or potential liability for the investigation or remediation of any disposal or release of hazardous or toxic substances or wastes, pollutants or contaminants, except, in the case of any of clauses (i), (ii) or (iii) above, for any such failure to comply or failure to receive required permits, licenses, other approvals or liability as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

(u) The Company and the Subsidiaries possess all certificates, authorizations and permits issued by the appropriate federal, state, local or foreign regulatory authorities necessary to conduct their respective businesses as described in the SEC Reports, except where the failure to possess such permits could not reasonably be expected to result in a Material Adverse Effect ("**Material Permits**"), and, to the Company's knowledge, neither the Company nor any Subsidiary has received any notice of proceedings relating to the revocation or modification of any Material Permit.

(v) With respect to the Company's business practices:

(i) None of the Company, any of its Subsidiaries nor, to the knowledge of the Company, any director, officer, agent, employee, affiliate or other person acting on behalf of the Company or its Subsidiaries is aware of or has taken any action, directly or indirectly, that would result in a material violation by such persons of the Foreign Corrupt Practices Act of 1977, as amended, and the rules and regulations thereunder (the "**FCPA**"),

including, without limitation, making use of the mails or any means or instrumentality of interstate commerce corruptly in furtherance of an offer, payment, promise to pay or authorization of the payment of any money, or other property, gift, promise to give, or authorization of the giving of anything of value to any “foreign official” (as such term is defined in the FCPA) or any foreign political party or official thereof or any candidate for foreign political office, in contravention of the FCPA. Each of the Company and, to the knowledge of the Company, its affiliates has conducted its business in material compliance with the FCPA and has instituted and maintained and will continue to maintain policies and procedures designed to ensure, and which are reasonably expected to continue to ensure, continued compliance with all applicable anti-bribery and anti-corruption laws. Neither the Company nor any of its Subsidiaries or, to the knowledge of the Company, any director, officer, agent, employee, affiliate or other person acting on behalf of the Company or any of its Subsidiaries has (i) violated or is in violation of or committed an offense under any provision of the Bribery Act 2010 of the United Kingdom or any other applicable anti-bribery or anti-corruption law or (ii) made or taken an act in furtherance of an offer, payment, promise, or authorization of the direct or indirect payment of any money benefit to any foreign or domestic government official or employee, including of any government-owned or controlled entity or of a public international organization, or any person acting in an official capacity for on behalf of any of the foregoing, or any foreign political party or official thereof or any candidate for foreign political office, in contravention of any applicable anti-bribery or anti-corruption law. Neither the Company nor its Subsidiaries will use, directly or knowingly indirectly, the proceeds from the sale of Shares in furtherance of an offer, payment, promise to pay, or authorization of the payment or giving of money, or anything else of value, to any person in violation of any applicable anti-bribery and anti-corruption laws.

(ii) None of the Company or any of its Subsidiaries nor, to the knowledge of the Company, any director, officer, agent, employee, affiliate or representative of the Company or any of its Subsidiaries is a Person, or is owned or controlled by one or more Persons, (i) currently the subject or target of any sanctions administered or enforced by the United States Government, including, without limitation, the U.S. Department of the Treasury’s Office of Foreign Assets Control (“**OFAC**”), the United Nations Security Council, the European Union, His Majesty’s Treasury, or other relevant sanctions authority (collectively, “**Sanctions**”), or (ii) located, organized or resident in a country or territory that is the subject of Sanctions, including, without limitation, Cuba, Iran, North Korea, Syria, the Crimea Region, the so-called Donetsk People’s Republic, the so-called Luhansk People’s Republic and the non-government controlled areas of Zaporizhzhia and Kherson (each, a “**Sanctioned Territory**”); and the Company will not directly or, to the knowledge of the Company, indirectly use the proceeds of the sale of the Shares, or lend, contribute or otherwise make available such proceeds to any Subsidiaries, joint venture partners or other Person, to fund or facilitate any activities of or business with any Person, or in any country or territory, that, at the time of such funding or facilitation, is the subject of Sanctions or a Sanctioned Territory or in any other manner that will result in a violation by any Person (including any Person participating in the transaction, whether as underwriter, advisor, investor or otherwise) of Sanctions.

(w) Except as would not, singly or in the aggregate, reasonably be expected to result in a Material Adverse Effect, (i) each of the Company and its Subsidiaries own or possess, or can acquire on reasonable terms, adequate patents, patent rights, licenses, inventions, copyrights, data, software, know-how (including trade secrets and other unpatented and/or unpatentable proprietary or confidential information, systems or procedures), trademarks, service marks, trade names or other intellectual property (collectively, “**Intellectual Property**”) necessary to carry on the business now operated by them and proposed to be operated by them, (ii) each of the Company and its Subsidiaries, and to the knowledge of the Company, any counterparties thereto are not in breach of any license agreements to which the Company or its Subsidiaries is a party, (iii) the operation of the business of the Company does not infringe, misappropriate or otherwise violate any rights in Intellectual Property of any third party and (iv) neither the Company nor any of its Subsidiaries has received any notice or is otherwise aware of any infringement of or conflict with asserted rights of others with respect to any Intellectual Property or of any facts or circumstances which would render any Intellectual Property invalid or inadequate to protect the interest of the Company or any of its Subsidiaries therein, and which infringement or conflict (if the subject of any unfavorable decision, ruling or finding) or invalidity or inadequacy. The Company has taken reasonable steps in accordance with normal industry practice to maintain the confidentiality of all Intellectual Property of the Company the value of which to the Company is contingent upon maintaining the confidentiality thereof. Except as would not, singly or in the aggregate, reasonably be expected to result in a Material Adverse Effect, (i) no such Intellectual Property has been disclosed other than to employees, representatives, and agents of the Company, all of whom are bound by written confidentiality agreements; (ii) no present or former employee, officer, or director of the Company, or agent or outside contractor or consultant of the Company, holds any right, title or interest, directly or indirectly, in whole or in part, in or to any Intellectual Property owned, purported to be owned, or licensed by the Company; and (iii) each Company employee involved with the development of Intellectual Property has entered into a work-for hire or invention assignment agreement with the Company.

(x) The Company and each of its Subsidiaries carry, or are covered by, insurance in such amounts and covering such risks as the Company and each of its Subsidiaries reasonably believe are adequate for the conduct of their properties and as is customary for companies engaged in similar businesses in similar industries. The Company does not have any reason to believe that it will not be able to renew its existing insurance coverage as and when such coverage expires or to obtain similar coverage from similar insurers as may be necessary to continue its business (without an increase in cost of such insurance coverage that would cause a Material Adverse Effect).

(y) Except as would not, singly or in the aggregate, reasonably be expected to result in a Material Adverse Effect, (i) each of the Company and its Subsidiaries has good and marketable title to all real property owned by them and good title to all other properties owned by them, in each case, free and clear of all mortgages, pledges, liens, security interests, claims, restrictions or encumbrances of any kind except; (ii) all of the leases under which the Company or any of its Subsidiaries holds properties described in the SEC Reports, are in full force and effect, and (iii) neither the Company nor any of its Subsidiaries has received any notice of any claim of any sort that has been asserted by anyone adverse to the rights of any of the Company or any of its Subsidiaries under any of the leases or subleases mentioned above, or affecting or questioning the rights of the Company or any of its Subsidiaries to the continued possession of the leased or subleased premises under any such lease or sublease.

(z) To the Company's knowledge, none of the Company's stockholders, officers or directors or any family member or affiliate of any of the foregoing, has either directly or indirectly an interest in, or is a party to, any transaction that would be required to be disclosed as a related party transaction pursuant to Item 404 of Regulation S-K promulgated under the Securities Act that is not so disclosed.

(aa) Other than the Placement Agent's fees, no brokerage or finder's fees or commissions are or will be payable by the Company to any broker, financial advisor or consultant, finder, placement agent, investment banker, bank or other Person with respect to the transactions contemplated by the Transaction Documents.

(bb) Except as (i) disclosed in the SEC Reports, (ii) have been waived and (iii) as provided for in the Company's Registration Rights Agreement with the Purchasers of even date herewith, no Person has any right to cause the Company to effect the registration under the Securities Act of any securities of the Company.

(cc) Except for matters that would not, individually or in the aggregate, cause a Material Adverse Effect, the Company and its Subsidiaries each (i) has made or filed all applicable income and franchise tax returns, reports and declarations required by any jurisdiction to which it is subject, (ii) has paid all taxes and other governmental assessments and charges that are material in amount, shown or determined to be due on such returns, reports and declarations, (iii) has set aside on its books provision reasonably adequate for the payment of all material taxes for periods subsequent to the periods to which such returns, reports or declarations apply and (iv) there are no unpaid taxes in any material amount claimed to be due by the taxing authority of any jurisdiction, and the officers of the Company or of any Subsidiary know of no basis for any such claim. The Company is classified as a Subchapter C corporation for U.S. federal tax purposes.

(dd) There is and has been no failure on the part of the Company's directors or officers, in their capacities as such, to comply in all material respects with any applicable provisions of the Sarbanes-Oxley Act and the rules and regulations promulgated thereunder. Each of the principal executive officer and the principal financial officer of the Company (or each former principal executive officer of the Company and each former principal financial officer of the Company as applicable) has made all certifications required by Sections 302 and 906 of the Sarbanes-Oxley Act with respect to all reports, schedules, forms, statements and other documents required to be filed by it or furnished by it to the Commission. For purposes of the preceding sentence, "principal executive officer" and "principal financial officer" shall have the meanings given to such terms in the Sarbanes-Oxley Act.

(ee) The Company's accounting firm is Grant Thornton LLP. To the knowledge and belief of the Company, such accounting firm is a registered public accounting firm as required by the Exchange Act.

(ff) The Company and each of its Subsidiaries maintain a system of internal accounting controls sufficient to provide reasonable assurance that (i) transactions are executed in accordance with management's general or specific authorizations; (ii) transactions are recorded as necessary to permit preparation of financial statements in conformity with generally accepted accounting principles and to maintain asset accountability; (iii) access to assets is permitted only in accordance with management's general or specific authorization; and (iv) the recorded accountability for assets is compared with the existing assets at reasonable intervals and appropriate action is taken with respect to any differences. Since the end of the Company's most recent audited fiscal year, there has been (i) no material weakness in the Company's internal control over financial reporting (whether or not remediated) and (ii) no change in the Company's internal control over financial reporting that has materially adversely affected, or is reasonably likely to materially adversely affect, the Company's internal control over financial reporting.

(gg) The Company acknowledges and agrees that each of the Purchasers is acting solely in the capacity of an arm's length purchaser with respect to the Transaction Documents and the transactions contemplated thereby. The Company further acknowledges that no Purchaser is acting as a financial advisor or fiduciary of the Company (or in any similar capacity) with respect to the Transaction Documents and the transactions contemplated thereby and any advice given by any Purchaser or any of its representatives or agents in connection with the Transaction Documents and the transactions contemplated thereby is merely incidental to the Purchasers' purchase of the Shares. The Company further represents to each Purchaser that the Company's decision to enter into this Agreement and the other Transaction Documents has been based solely on the independent evaluation of the transactions contemplated hereby by the Company and its representatives.

(hh) Anything in this Agreement or elsewhere herein to the contrary notwithstanding, it is understood and acknowledged by the Company that: (i) none of the Purchasers has been asked by the Company to agree, nor has any Purchaser agreed, to desist from purchasing or selling, long and/or short, securities of the Company, or "derivative" securities based on securities issued by the Company or to hold the Shares for any specified term; (ii) past or future open market or other transactions by any Purchaser, specifically including, without limitation, Short Sales or "derivative" transactions, before or after the closing of this or future private placement transactions, may negatively impact the market price of the Company's publicly-traded securities; (iii) any Purchaser, and counter-parties in "derivative" transactions to which any such Purchaser is a party, directly or indirectly, presently may have a "short" position in the Common Stock, and (iv) each Purchaser shall not be deemed to have any affiliation with or control over any arm's length counter-party in any "derivative" transaction. The Company further understands and acknowledges that (y) one or more Purchasers may engage in hedging activities at various times during the period that the Shares are outstanding, and (z) such hedging activities (if any) would reduce the value of the Purchasers' equity interests in the Company at and after the time that the hedging activities are being conducted. The Company acknowledges that such aforementioned hedging activities do not constitute a breach of any of the Transaction Documents.

(ii) The Company has not, and to its knowledge no one acting on its behalf has, (i) taken, directly or indirectly, any action designed to cause or to result in the stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of any of the Shares, (ii) sold, bid for, purchased, or, paid any compensation for soliciting purchases of, any of the Shares, or (iii) paid or agreed to pay to any Person any compensation for soliciting another to purchase any other securities of the Company.

(jj) Except as would not, singly or in the aggregate, reasonably be expected to result in a Material Adverse Effect, (i) there has been no security breach or incident, unauthorized access or disclosure, or other compromise of, or relating to the Company's or any of its Subsidiaries' information technology and computer systems, networks, hardware, software, data and databases (including the data and information of their respective customers, employees, suppliers, vendors and any third party data maintained, processed or stored by the Company or any of its Subsidiaries, and any such data processed or stored by third parties on behalf of the Company or any of its Subsidiaries), equipment or technology (collectively, "**IT Systems and Data**"); (ii) neither the Company nor its Subsidiaries has been notified of, and each of them have no knowledge of any event or condition that could result in, any security breach or incident, unauthorized access or disclosure or other compromise to their IT Systems and Data; (iii) neither the Company, its Subsidiaries, nor any third party acting at their direction or authorization has paid any perpetrator of any actual or threatened security breach or incident or cyber-attack, including, but not limited to a ransomware attack or a denial-of-service attack; and (iv) the Company and its Subsidiaries have implemented appropriate controls, policies, procedures, and technological safeguards to maintain and protect the integrity, continuous operation, redundancy and security of their IT Systems and Data reasonably consistent with industry standards and practices, or as required by applicable regulatory standards. The Company and its Subsidiaries are presently, and for the past four years have been, in material compliance with all applicable laws or statutes and all judgments, orders, rules and regulations of any court or arbitrator or governmental or regulatory authority, internal policies and contractual obligations relating to the privacy and security of IT Systems and Data and to the protection of such IT Systems and Data from unauthorized use, access, misappropriation or modification. Except as would not, singly or in the aggregate, reasonably be expected to result in a Material Adverse Effect, the Company has not received notice of any complaint, audit, proceeding, investigation, or claim against the Company or any of its Subsidiaries initiated by any Person alleging that the Company's or any of its Subsidiaries' practice is in violation of any privacy or information security laws; nor is the Company or any of its Subsidiaries subject to any order, judgement, or consent decree due to any of its privacy or information security practices.

(kk) The Company does not have any agreement or understanding with any Purchaser with respect to the transactions contemplated by the Transaction Documents other than as specified in the Transaction Documents. For the avoidance of doubt, the Company has not entered into any other securities purchase agreement with any other Person on or around the date hereof, that includes terms and conditions that are materially more advantageous to such Person than to any Purchaser hereunder.

(ll) The Company hereby acknowledges and agrees that (i) the Placement Agent is acting solely as placement agent in connection with the execution, delivery and performance of the Transaction Documents and is not acting as underwriter or in any other capacity and is not and shall not be construed as fiduciary for the Purchasers, the Company or any other person or entity in connection with the execution, delivery and performance of the Transaction Documents, (ii) the Placement Agent has not made nor will make any representation or warranty, whether express or implied, of any kind or character and the Placement Agent has not provided any advice or recommendation in connection with the execution, delivery and performance of the Transaction Documents and (iii) the Placement Agent will not have any responsibility with respect to (A) any representations, warranties or agreements made by any person or entity under or in connection

with the execution, delivery and performance of the Transaction Documents, or the execution, legality, validity or enforceability (with respect to any person) thereof, or (B) the business, affairs, financial condition, operations or properties of, or any other matter concerning the Company.

(mm) The Company has not entered into, and will not enter into, any other agreement or any definitive transaction document, side letter, undertaking letter, or other similar agreement or instrument with any Purchaser or any other purchaser of Shares in connection with the transactions contemplated hereby with terms and conditions that are more favorable than the terms and conditions provided to the Purchasers under this Agreement.

3.2 Representations and Warranties of the Purchasers. Each Purchaser, for itself and for no other Purchaser, hereby represents and warrants as of the date of this Agreement and as of the Closing Date (or, if such representations and warranties are made with respect to a specified date, as of such date) to the Company that the following representations and warranties are true and complete as of the date hereof and as of the Closing Date:

(a) Such Purchaser is either an individual or an entity duly incorporated or formed, validly existing and in good standing under the laws of its jurisdiction of formation or incorporation with the requisite power and authority to enter into and perform its obligations under the Transaction Documents.

(b) Each Transaction Document to which it is a party has been duly authorized, executed and delivered by such Purchaser, and assuming the due authorization, execution and delivery of the same by the Company, each Transaction Document to which such Purchaser is a party shall constitute the valid and legally binding obligation of such Purchaser, enforceable against such Purchaser in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium and similar laws affecting creditors generally and by the availability of equitable remedies.

(c) The execution, delivery and performance of the Transaction Documents, including the purchase of the Shares hereunder, the compliance by such Purchaser with all of the provisions of the Transaction Documents and the consummation of the transactions contemplated herein will not conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance upon any of the property or assets of such Purchaser pursuant to the terms of (i) any indenture, mortgage, deed of trust, loan agreement, lease, license or other agreement or instrument to which such Purchaser is a party or by which such Purchaser is bound or to which any of the property or assets of such Purchaser is subject; (ii) the Organizational Documents of such Purchaser; or (iii) any statute or any judgment, order, rule or regulation of any court or governmental agency or body, domestic or foreign, having jurisdiction over such Purchaser or any of its properties that in the case of clauses (i) and (iii), would reasonably be expected to have a material adverse effect on such Purchaser's legal authority to consummate the transactions contemplated by the Transaction Documents, including the purchase of the Shares.

(d) At the time such Purchaser was offered the Shares, it was, and as of the date hereof it is, an “accredited investor” (within the meaning of Rule 501(a) under the Securities Act), satisfying the applicable requirements set forth on Annex A hereto, (ii) acquiring the Shares only for its own account and not for the account of others, or if such Purchaser is subscribing for the Shares as a fiduciary or agent for one or more investor accounts, each owner of such account is an “accredited investor” (within the meaning of Rule 501(a) under the Securities Act) and such Purchaser has full investment discretion with respect to each such account, and the full power and authority to make the acknowledgements, representations and agreements herein on behalf of each owner of each such account, and (iii) not acquiring the Shares with a view to, or for offer or sale in connection with, any distribution thereof in violation of the Securities Act (and has provided the Company with the requested information on Annex A following the signature page hereto).

(e) Such Purchaser acknowledges and agrees, in reliance on the Company’s representations set forth herein, that the Shares are being offered in a transaction not involving any public offering within the meaning of the Securities Act and that the Shares have not been registered under the Securities Act or the securities laws of any state in the United States or other jurisdiction and that the Company is not required to register the Shares except as set forth in the Registration Rights Agreement. Such Purchaser acknowledges and agrees that the Shares may not be offered, resold, transferred, pledged or otherwise disposed of by such Purchaser absent an effective registration statement under the Securities Act, except (i) to the Company or a Subsidiary thereof, (ii) pursuant to an applicable exemption from the registration requirements of the Securities Act (including, without limitation, a private resale pursuant to so called “Section 4(a)1^{1/2}”), or (iii) an ordinary course pledge such as a broker lien over account property generally, and, in each of clauses (i) through (iii), in accordance with any applicable securities laws of the states and other jurisdictions of the United States, and that any certificates or account entries representing the Shares shall contain a restrictive legend to such effect. Such Purchaser acknowledges and agrees that the Shares will be subject to these securities law transfer restrictions, and as a result of these transfer restrictions, such Purchaser may not be able to readily offer, resell, transfer, pledge or otherwise dispose of the Shares and may be required to bear the financial risk of an investment in the Shares for an indefinite period of time. The Purchaser acknowledges and agrees that the Shares will not be immediately eligible for offer, resale, transfer, pledge or disposition pursuant to Rule 144 promulgated under the Securities Act. Such Purchaser acknowledges and agrees that it has been advised to consult legal counsel prior to making any offer, resale, pledge or transfer of any of the Shares. By making the representations in this Section 3.2(e), the Purchaser does not agree to hold any of the Shares for any minimum or other specific term and reserves the right to assign, transfer or otherwise dispose of any of the Shares at any time in accordance with or pursuant to a registration statement or an exemption under the Securities Act.

(f) Such Purchaser understands and agrees that it is purchasing the Shares directly from the Company. Each Purchaser further acknowledges that there have not been, and such Purchaser hereby agrees that it is not relying on, any representations, warranties, covenants or agreements made to such Purchaser by the Company, the Placement Agent, or any of their respective Affiliates or any of their control persons, officers, directors, employees, partners, agents or representatives, or any other person or entity, expressly or by implication, other than those representations, warranties covenants and agreements of the Company set forth in this Agreement. Such Purchaser agrees that none of (i) any other Purchaser (including the controlling persons, members, officers, directors, partners, agents, or employees of any such other Purchaser) and (ii) absent its own negligence, fraud, willful misconduct, breach of agreement or violation of applicable law, the Placement Agent, their respective Affiliates or any of their respective Affiliates’ control persons, officers, directors or employees shall be liable to the Purchasers pursuant to this Agreement for any action heretofore or hereafter taken or omitted to be taken by any of them in connection with the purchase of the Shares.

(g) In making its decision to purchase the Shares, such Purchaser has relied solely upon independent investigation made by such Purchaser, the SEC Reports, and the Company's representations in Section 3.1 of this Agreement. Such Purchaser acknowledges and agrees that such Purchaser has received such information as such Purchaser deems necessary in order to make an investment decision with respect to the Shares, including with respect to the Company, and made its own assessment and is satisfied concerning the relevant financial, tax and other economic considerations relevant to the Purchaser's investment in the Shares. Without limiting the generality of the foregoing, such Purchaser acknowledges that it has been given the opportunity to review the Company's filings with the Commission. Such Purchaser represents and agrees that such Purchaser and such Purchaser's professional advisor(s), if any, have had the full opportunity to ask such questions, receive such answers and obtain such information as such Purchaser and the Purchaser's professional advisor(s), if any, have deemed necessary to make an investment decision with respect to the Shares. Such Purchaser acknowledges and agrees that none of the Placement Agent or officers, directors, employees or other representatives, legal counsel, financial advisors, accountants or agents (collectively, "**Representatives**") of the Placement Agent has provided such Purchaser with any information, recommendation or advice with respect to the Shares nor is such information, recommendation or advice necessary or desired. The Placement Agent has not made nor makes any representation as to the Company or the quality or value of the Shares. In addition, the Company, the Placement Agent and their respective Affiliates or Representatives may have acquired non-public information with respect to the Company. In connection with the issuance of the Shares to the Purchaser, the Placement Agent has not acted as financial advisors or fiduciaries to the Purchaser.

(h) Such Purchaser became aware of this offering of the Shares solely by means of direct contact between such Purchaser and the Company or its Affiliates, by means of direct contact between such Purchaser or its Affiliates or by means of contact from the Placement Agent, and Shares were offered to such Purchaser solely by direct contact between such Purchaser and the Company or its Affiliates and the Placement Agent. Such Purchaser did not become aware of this offering of the Shares, nor were the Shares offered to such Purchaser, by any other means.

(i) Such Purchaser acknowledges that it is aware that there are substantial risks incident to the purchase and ownership of the Shares, including those set forth in the SEC Reports. Such Purchaser has such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of an investment in the Shares, and such Purchaser has had an opportunity to seek, and has sought, such accounting, legal, business and tax advice as such Purchaser has considered necessary to make an informed investment decision. Such Purchaser (i) is an institutional account as defined in FINRA Rule 4512(c), (ii) is a sophisticated investor, experienced in investing in private equity transactions and capable of evaluating investment risks independently, both in general and with regard to all transactions and investment strategies involving a security or securities, and (iii) has exercised independent judgment in evaluating its participation in the purchase of the Shares. Such Purchaser understands and acknowledges that the purchase and sale of the Shares hereunder meets (i) the exemptions from filing under FINRA Rule 5123(b)(1)(A) and (ii) the institutional customer exemption under FINRA Rule 2111(b).

(j) Such Purchaser has adequately analyzed and fully considered the risks of an investment in the Shares and determined that the Shares are a suitable investment for such Purchaser and that such Purchaser is able at this time and in the foreseeable future to bear the economic risk of a total loss of such Purchaser's investment in the Company. Such Purchaser acknowledges specifically that a possibility of total loss exists.

(k) Such Purchaser understands and agrees that no federal or state agency has passed upon or endorsed the merits of the offering of the Shares or made any findings or determination as to the fairness of this investment.

(l) Such Purchaser is not (i) a person or entity named on the List of Specially Designated Nationals and Blocked Persons administered by OFAC or in any Executive Order issued by the President of the United States and administered by OFAC ("**OFAC List**"), or a person or entity prohibited by any OFAC sanctions program, (ii) a Designated National as defined in the Cuban Assets Control Regulations, 31 C.F.R. Part 515, or (iii) a non-U.S. shell bank or providing banking services indirectly to a non-U.S. shell bank. Such Purchaser agrees to provide law enforcement agencies, if requested thereby, such records as required by applicable law, provided that such Purchaser is permitted to do so under applicable law. If such Purchaser is a financial institution subject to the Bank Secrecy Act (31 U.S.C. Section 5311 et seq.), as amended by the USA PATRIOT Act of 2001, and its implementing regulations (collectively, the "**BSA/PATRIOT Act**"), such Purchaser maintains policies and procedures reasonably designed to comply with applicable obligations under the BSA/PATRIOT Act. To the extent required under applicable Law, such Purchaser maintains policies and procedures reasonably designed for the screening of its investors against the OFAC sanctions programs, including the OFAC List. To the extent required under applicable law, such Purchaser maintains policies and procedures reasonably designed to ensure that the funds held by such Purchaser and used to purchase the Shares were legally derived.

(m) No foreign person (as defined in 31 C.F.R. § 800.224) in which the national or subnational governments of a single foreign state have a substantial interest (as defined in 31 C.F.R. § 800.244) will acquire a substantial interest in the Company as a result of the purchase and sale of Shares hereunder such that a declaration to the Committee on Foreign Investment in the United States would be mandatory under 31 C.F.R. § 800.401, and no foreign person will have control (as defined in 31 C.F.R. § 800.208) over the Company from and after the Closing as a result of the purchase and sale of Shares hereunder.

(n) Such Purchaser will have sufficient funds to pay the Subscription Amount pursuant to Section 2.2(b)(iii) of this Agreement and any expenses incurred by such Purchaser in connection with the transactions contemplated by or in connection with the Transaction Documents; (ii) has the resources and capabilities (financial or otherwise) to perform its obligations under the Transaction Documents; and (iii) has not incurred any obligation, commitment, restriction or liability of any kind, absolute or contingent, present or future, which would have a material adverse effect on its legal authority to perform its obligations under the Transaction Documents.

(o) Such Purchaser acknowledges that it is not relying upon, and has not relied upon, any statement, representation or warranty made by any person, firm or corporation (including, without limitation, the Company, the Placement Agent or any of their respective Affiliates or any of their control persons, officers, directors, employees, agents or representatives), other than the SEC Reports and the representations and warranties of the Company contained in the Transaction Documents, in making its investment or decision to invest in the Company. Such Purchaser agrees that none of (i) any other Purchaser or any other Person participating in any other private placement of shares of Common Stock (including the controlling persons, officers, directors, partners, agents or employees of any such other Person), (ii) the Company's Affiliates or any of its respective Affiliates' control persons, officers, directors, partners, agents, employees or representatives nor (iii) the Placement Agent, its respective Affiliates or any of their respective control persons, officers, directors, partners, agents, employees or representatives; in each case, absent its own negligence, fraud, willful misconduct, breach of agreement or violation of applicable law, shall be liable to such Purchaser pursuant to the Transaction Documents for any action heretofore or hereafter taken or omitted to be taken by Purchaser in connection with the purchase of the Shares hereunder.

(p) No broker or finder which has been retained by or is authorized to act on behalf of the Purchaser is entitled to any brokerage or finder's fee or commission to be paid by such Purchaser solely in connection with the sale of the Shares to such Purchaser.

(q) [Reserved].

(r) Such Purchaser acknowledges its obligations under applicable securities laws with respect to the treatment of non-public information relating to the Company. For the avoidance of doubt, nothing in this Agreement or any Transaction Document, nor the delivery of any information (including any information that may constitute material non-public information) to Purchaser, shall restrict or be deemed to restrict any Purchaser's ability to effect transactions in the securities of any issuer other than the Company.

(s) [Reserved].

ARTICLE 4

OTHER AGREEMENTS OF THE PARTIES

4.1 Transfer Restrictions.

(a) The Shares may only be disposed of by a Purchaser in compliance with applicable state and federal securities laws. In connection with any transfer of Shares by a Purchaser other than (i) pursuant to an effective registration statement or Rule 144, (ii) to the Company, (iii) to an Affiliate of such Purchaser or (iv) in connection with a pledge as contemplated in Section 4.1(b), (1) the Company may require the transferor thereof to provide to the Company an opinion of counsel selected by the transferor (in-house counsel to suffice), the form and substance of which opinion shall be reasonably satisfactory to the Company, to the effect that such transfer does not require registration of such transferred Shares under the Securities Act, and (2) as a condition of transfer, any such transferee shall agree in writing to be bound by the terms of this Agreement and, if permitted pursuant to the terms thereof, the Registration Rights Agreement and shall have the rights and obligations of the Purchasers under this Agreement and the Registration Rights Agreement, if a party thereto.

(b) Each Purchaser agrees to the imprinting or notation, so long as is required by this Section 4.1, of a legend on or with respect to the Shares in the following form:

THIS SECURITY HAS NOT BEEN REGISTERED WITH THE SECURITIES AND EXCHANGE COMMISSION OR THE SECURITIES COMMISSION OF ANY STATE IN RELIANCE UPON AN EXEMPTION FROM REGISTRATION UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE "SECURITIES ACT"), AND, ACCORDINGLY, MAY NOT BE OFFERED OR SOLD EXCEPT PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT OR PURSUANT TO AN AVAILABLE EXEMPTION FROM, OR IN A TRANSACTION NOT SUBJECT TO, THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT AND IN ACCORDANCE WITH APPLICABLE STATE SECURITIES LAWS. THIS SECURITY MAY BE PLEDGED IN CONNECTION WITH A BONA FIDE MARGIN ACCOUNT WITH A REGISTERED BROKER-DEALER OR OTHER LOAN WITH A FINANCIAL INSTITUTION THAT IS AN "ACCREDITED INVESTOR" AS DEFINED IN RULE 501(a) UNDER THE SECURITIES ACT OR OTHER LOAN SECURED BY SUCH SECURITIES.

The Company acknowledges and agrees that, notwithstanding anything to the contrary herein, a Purchaser may from time to time pledge pursuant to a bona fide margin agreement with a registered broker-dealer or grant a security interest in some or all of the Shares to a financial institution that is an "accredited investor" as defined in Rule 501(a) under the Securities Act and, if required under the terms of such arrangement, such Purchaser may transfer, pledge or grant a security interest over Shares to the pledgees or secured parties. Such a pledge or transfer would not be subject to approval of the Company and no legal opinion of legal counsel of the pledgee, secured party or pledgor shall be required in connection therewith. Further, no notice shall be required of such pledge. At the appropriate Purchaser's expense (as agreed between Company and Purchaser), the Company will execute and deliver such reasonable documentation as a pledgee or secured party of Shares may reasonably request in connection with a pledge or transfer of the Shares, including, if the Shares are subject to registration pursuant to the Registration Rights Agreement, the preparation and filing of any required prospectus supplement under Rule 424(b) under the Securities Act or other applicable provision of the Securities Act to appropriately amend the list of selling securityholders thereunder.

(c) The Company shall cause the issuance, by book entry, of Shares not containing any legend (including the legend set forth in Section 4.1(b) hereof), (i) following any sale of such Shares pursuant to a registration statement (including the Registration Statement) covering the resale of such security is effective under the Securities Act, (ii) following any sale of such Shares pursuant to Rule 144, (iii) if such Shares are eligible for sale under Rule 144, without the requirement for the Company to be in compliance with the current public information required under Rule 144(c)(1) or Rule 144(i)(2) as to such Shares and without volume or manner-of-sale restrictions, or (iv) if in the opinion of counsel to the Company, such legend is not required under applicable requirements of the Securities Act (including judicial interpretations and pronouncements issued by the staff of the Commission).

The Company agrees that at and after such time as the Company is obligated to issue Shares without legends pursuant to the first paragraph of this Section 4.1(c), it will, no later than the earlier of (i) one (1) Trading Day and (ii) the number of Trading Days comprising the Standard Settlement Period (as defined below) following the delivery by a Purchaser to the Company or the Transfer Agent of a request with respect to the book entry position representing the Shares issued with a restrictive legend, instruct its counsel to issue a legal opinion to the Transfer Agent if required by the Transfer Agent to effect the removal of the legend hereunder and promptly thereafter, deliver or cause to be delivered to such Purchaser a statement evidencing the book entry position representing such shares that is free from all restrictive and other legends. The Company may not make any notation on its records or give instructions to the Transfer Agent that enlarge the restrictions on transfer set forth in this Section 4.1. Shares subject to legend removal hereunder shall be transmitted by the Transfer Agent to a Purchaser by crediting the account of such Purchaser's prime broker with the Depository Trust Company System as directed by such Purchaser. As used herein, "Standard Settlement Period" means the standard settlement period, expressed in a number of Trading Days, on the Company's primary Trading Market with respect to the Common Stock as in effect on the date of delivery of a certificate representing Shares issued with a restrictive legend.

(d) Each Purchaser agrees with the Company that such Purchaser will sell any Shares pursuant to either the registration requirements of the Securities Act, including any applicable prospectus delivery requirements, or an exemption therefrom, and that if Shares are sold pursuant to a Registration Statement, they will be sold in compliance with the plan of distribution set forth therein, and acknowledges that the removal of the restrictive legend from reasonable evidence of issuance by book entry, representing Shares as set forth in this Section 4.1 is predicated upon the Company's reliance upon this understanding.

4.2 Acknowledgment of Dilution. The Company acknowledges that the issuance of the Shares may result in dilution of the outstanding shares of Common Stock, which dilution may be substantial under certain market conditions. The Company further acknowledges that its obligations under the Transaction Documents are unconditional and absolute and not subject to any right of set off, counterclaim, delay or reduction, regardless of the effect of any such dilution or any claim the Company may have against such Purchaser and regardless of the dilutive effect that such issuance may have on the ownership of the other stockholders of the Company.

4.3 Furnishing of Information; Public Information. Until the earlier of (i) the time that no Purchaser owns any Shares and (ii) the date that is five years after the Closing Date, the Company shall use commercially reasonable efforts to maintain the registration of the Common Stock under Section 12(b) or 12(g) of the Exchange Act and to timely file all reports required to be filed by the Company after the date hereof pursuant to the Exchange Act even if the Company is not then subject to the reporting requirements of the Exchange Act.

4.4 Integration. The Company shall not sell, offer for sale or solicit offers to buy or otherwise negotiate in respect of any security (as defined in Section 2 of the Securities Act) that would be integrated with the offer or sale of the Shares in a manner that would require the registration under the Securities Act of the sale of the Shares or that would be integrated with the offer or sale of the Shares for purposes of the rules and regulations of any Trading Market such that it would require stockholder approval prior to the closing of such other transaction unless stockholder approval is obtained before the closing of such subsequent transaction.

4.5 Securities Laws Disclosure; Publicity. The Company shall by 9:00 a.m., New York City time, on the first (1st) Business Day immediately following the date of this Agreement, or by 9:00 a.m., New York City time, on the date of the Agreement if this Agreement is executed before 9:00 a.m., New York City time, (a) issue a press release and/or file a Current Report on Form 8-K disclosing the material terms of the transactions contemplated hereby, which shall have been previously reviewed by counsel for the Placement Agent, and (b) in respect of any information that is issued in a press release, file a Current Report on Form 8-K (the time of actual issuance of such Current Report on Form 8-K, the “**Disclosure Time**”), which shall have been previously reviewed by counsel for the Placement Agent and shall include (i) all material, non-public information that that the Company has provided to the Purchaser at any time prior to the Disclosure Time and (ii) this Agreement as an exhibit thereto. From and after the Disclosure Time, the Company represents and covenants to the Purchasers and the Placement Agent that the Company shall have publicly disclosed all material, non-public information regarding the Company or the Transactions contemplated by the Transaction Agreements delivered to any of the Purchasers by the Company or any of its officers, directors, employees or agents (including the Placement Agent) in connection with the transactions contemplated by the Transaction Documents. In addition, effective upon the Disclosure Time, the Company acknowledges and agrees that any and all confidentiality or similar obligations under this Agreement, or an agreement entered into in connection with the transactions contemplated by the Transaction Documents, whether written or oral, between the Company or any of its officers, directors, agents, employees or Affiliates on the one hand, and any of the Purchasers or any of their respective officers, directors, agents, employees or investment advisers, on the other hand, shall terminate. The Company and each Purchaser shall consult with each other in issuing any other press releases with respect to the transactions contemplated hereby, and neither the Company nor any Purchaser shall issue any such press release nor otherwise make any such public statement without the prior consent of the Company and the Placement Agent (such consent not to be unreasonably withheld or delayed), with respect to any press release of any Purchaser, or without the prior consent of each Purchaser and the Placement Agent (such consent not to be unreasonably withheld or delayed), with respect to any press release of the Company. To the extent any disclosure is required by law or the regulations of the Trading Market, the Company shall provide such Purchaser with prompt prior notice of such requirement so that such Purchaser may (a) seek appropriate relief to prevent or limit such disclosure, (b) furnish only that portion of the information which is legally required to be furnished or disclosed, and to the extent reasonably feasible, (c) consult with the Company on content and timing prior to any such disclosure. Notwithstanding anything to the contrary contained herein, without the prior written consent of any applicable Purchaser, the Company shall not (and shall cause each of its affiliates and representatives not to) disclose the name of such Purchaser or its investment adviser in any filing, announcement, release or otherwise, except as required by applicable law in which case the Company shall comply with the provisions of this Section 4.5.

4.6 Stockholder Rights Plan. No claim will be made or enforced by the Company or, with the consent of the Company, any other Person, that exclusively as a result of the transactions contemplated by this Agreement any Purchaser is an “**Acquiring Person**” under any control share acquisition, business combination, poison pill (including any distribution under a rights agreement) or similar antitakeover plan or arrangement in effect or hereafter adopted by the Company, or that any Purchaser could be deemed to trigger the provisions of any such plan or arrangement, by virtue of receiving Shares under the Transaction Documents.

4.7 **Non-Public Information**. From and after the Disclosure Time, the Company covenants and agrees that neither it, nor any other Person acting on its behalf, will provide any Purchaser or its agents or counsel with any information that constitutes, or the Company believes constitutes, material non-public information, unless prior thereto such Purchaser shall have consented (in writing, with e-mail being sufficient) to the receipt of such information and agreed with the Company to keep such information confidential. To the extent that the Company or any of its respective officers, director, agents, employees or Affiliates delivers any material, non-public information to any Purchaser without such Purchaser's consent, the Company hereby covenants and agree that such Purchaser shall not have any duty of trust or confidentiality to the Company or any of its respective officers, directors, agents, employees or Affiliates, or a duty to the Company or any of its respective officers, directors, agents, employees or Affiliates not to trade while aware of, such material, non-public information, provided that such Purchaser shall remain subject to applicable law. To the extent that any notice provided pursuant to any Transaction Document constitutes, or contains, material, non-public information regarding the Company, the Company shall use its commercially reasonable efforts to simultaneously file such notice with the Commission pursuant to a Current Report on Form 8-K. The Company understands and confirms that the Purchasers shall be relying on the foregoing covenants in effecting transactions in securities of the Company.

4.8 **Use of Proceeds**. The Company shall use the net proceeds from the sale of the Shares hereunder for general corporate and working capital purposes or for such other purposes as the Company may determine in its exclusive discretion.

4.9 **[Reserved]**.

4.10 **Listing of Shares**. The Company shall, as applicable: (i) promptly after the Closing Date and in connection with the registration with the Commission of the Shares, in the manner required by the principal Trading Market, prepare and file with such Trading Market an additional shares listing notification covering the Shares and (ii) use commercially reasonable efforts to maintain the listing or quotation of the Common Stock on any date at least equal to the Shares on such date on such Trading Market or another Trading Market. The Company agrees to maintain the eligibility of the Common Stock for electronic transfer through the Depository Trust Company or another established clearing corporation, including, without limitation, by timely payment of fees to the Depository Trust Company or such other established clearing corporation in connection with such electronic transfer.

4.11 **Subsequent Equity Sales**. From the date hereof until the Standstill Termination Date, the Company shall not, without the prior written consent of the Purchasers of at least a majority in interest of the Shares then held by the Purchasers, (i) other than in an Exempt Issuance, issue, enter into any agreement to issue or announce the issuance or proposed issuance of any shares of Common Stock or (ii) file any registration statement or any amendment or supplement thereto, in each case other than in furtherance of an Exempt Issuance or as contemplated pursuant to the Registration Rights Agreement.

4.12 **Certain Transactions and Confidentiality.** Each Purchaser, severally and not jointly with the other Purchasers, covenants that until such time as the transactions contemplated by this Agreement are publicly disclosed by the Company pursuant to the initial press release as described in Section 4.5 or the termination of this Agreement in accordance with Section 5.1, such Purchaser will maintain the confidentiality of the existence and terms of this transaction. Notwithstanding the foregoing, and notwithstanding anything contained in this Agreement to the contrary, the Company expressly acknowledges and agrees that (i) no Purchaser makes any representation, warranty or covenant hereby that it will not engage in effecting transactions in any securities of the Company after the time that the transactions contemplated by this Agreement are first publicly announced pursuant to the initial press release as described in Section 4.5, (ii) no Purchaser shall be restricted or prohibited from effecting any transactions in any securities of the Company in accordance with applicable securities laws from and after the time that the transactions contemplated by this Agreement are first publicly announced pursuant to the initial press release as described in Section 4.5 and (iii) no Purchaser shall have any duty of confidentiality or duty not to trade in the securities of the Company to the Company after the issuance of the initial press release as described in Section 4.5. Notwithstanding the foregoing, in the case of an Purchaser that is a multi-managed investment vehicle whereby separate portfolio managers manage separate portions of such Purchaser's assets, the covenant set forth above shall only apply with respect to the portion of assets managed by the portfolio manager that made the investment decision to purchase the Shares covered by this Agreement.

4.13 **Blue Sky Filings.** The Company shall take such action as the Company shall reasonably determine is necessary in order to obtain an exemption for, or to qualify the Shares for, sale to the Purchasers at the Closing under applicable securities or "Blue Sky" laws of the states of the United States.

4.14 **Equal Treatment of Purchasers.** No consideration (including any modification of any Transaction Document) shall be offered or paid to any Person to amend or consent to a waiver or modification of any provision of the Transaction Documents unless the same consideration is also offered to all of the Purchasers. For clarification purposes, this provision constitutes a separate right granted to each Purchaser by the Company and negotiated separately by each Purchaser, and is intended for the Company to treat the Purchasers as a class and shall not in any way be construed as the Purchasers acting in concert or as a group with respect to the purchase, disposition or voting of Shares or otherwise.

ARTICLE 5

5.4 **Use of Single Agreement.** For ease of administration, this single Agreement is being executed so as to enable each Purchaser identified on the signature page to enter into an Agreement, severally, but not jointly. The parties agree that (i) this Agreement shall be treated as if it were a separate agreement with respect to each Purchaser listed on the signature page, as if each Purchaser entity had executed a separate Agreement naming only itself as Purchaser, and (ii) no Purchaser listed on the signature page shall have any liability under the Agreement for obligations of any other Purchaser so listed.

No waiver of any default with respect to any provision, condition or requirement of this Agreement shall be deemed to be a continuing waiver in the future or a waiver of any subsequent default or a waiver of any other provision, condition or requirement hereof, nor shall any delay or omission of any party to exercise any right hereunder in any manner impair the exercise of any such right.

5.7 **Headings.** The headings herein are for convenience only, do not constitute a part of this Agreement and shall not be deemed to limit or affect any of the provisions hereof.

5.8 **Successors and Assigns.** This Agreement shall be binding upon and inure to the benefit of the parties and their successors and permitted assigns. The Company may not assign this Agreement or any rights or obligations hereunder without the prior written consent of the other and the Purchasers. Each Purchaser may assign any or all of its rights under this Agreement to any Person to whom such Purchaser assigns or transfers any Shares, provided that such transferee agrees in writing to be bound, with respect to the transferred Shares, by the provisions of the Transaction Documents that apply to such “Purchaser.”

5.9 **No Third-Party Beneficiaries.** The Placement Agent shall be the express third-party beneficiaries of the representations and warranties of the Company in Section 3.1 hereof and the representations and warranties of the Purchasers in Section 3.2 hereof. Except as otherwise set forth in Section 4.5, Section 4.9, Section 4.11, Section 5.3, this Section 5.9, and Section 5.20, this Agreement is intended for the benefit of the parties hereto and their respective successors and permitted assigns and is not for the benefit of, nor may any provision hereof be enforced by, any other Person.

5.10 **Governing Law.** All questions concerning the construction, validity, enforcement and interpretation of the Transaction Documents shall be governed by and construed and enforced in accordance with the internal laws of the State of New York. Each party agrees that it shall commence any legal Proceedings concerning the interpretations, enforcement and defense of the transactions contemplated by this Agreement and any other Transaction Documents (whether brought against a party hereto or its respective Affiliates, directors, officers, shareholders, partners, members, employees or agents) exclusively in the state and federal courts sitting in the State of New York. Each party hereby irrevocably submits to the exclusive jurisdiction of the state and federal courts sitting in the State of New York for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein (including with respect to the enforcement of any of the Transaction Documents), and hereby irrevocably waives, and agrees not to assert in any Action or Proceeding, any claim that it is not personally subject to the jurisdiction of any such court, that such Action or Proceeding is improper or is an inconvenient venue for such Proceeding. Each party hereby irrevocably waives personal service of process and consents to process being served in any such Action or Proceeding by mailing a copy thereof via registered or certified mail or overnight delivery (with evidence of delivery) to such party at the address in effect for notices to it under this Agreement and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any other manner permitted by law.

5.11 **Survival.** The representations and warranties contained in Section 3.1 and Section 3.2 shall survive the Closing and the delivery of the Shares.

5.12 **Execution.** This Agreement may be executed in two or more counterparts, all of which when taken together shall be considered one and the same agreement and shall become effective when counterparts have been signed by each party and delivered to each other party, it being understood that the parties need not sign the same counterpart. In the event that any signature is delivered by e-mail delivery of a “.pdf” format data file (including any electronic signature covered by the U.S. federal ESIGN Act of 2000, Uniform Electronic Transactions Act, the Electronic Signatures and Records Act or other applicable law, e.g., www.docuSign.com), such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such “.pdf” signature page were an original thereof.

5.13 **Severability.** If any term, provision, covenant or restriction of this Agreement is held by a court of competent jurisdiction to be invalid, illegal, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions set forth herein shall remain in full force and effect and shall in no way be affected, impaired or invalidated, and the parties hereto shall use their commercially reasonable efforts to find and employ an alternative means to achieve the same or substantially the same result as that contemplated by such term, provision, covenant or restriction. It is hereby stipulated and declared to be the intention of the parties that they would have executed the remaining terms, provisions, covenants and restrictions without including any of such that may be hereafter declared invalid, illegal, void or unenforceable.

5.14 **Rescission and Withdrawal Right.** Notwithstanding anything to the contrary contained in (and without limiting any similar provisions of) any of the other Transaction Documents, whenever any Purchaser exercises a right, election, demand or option under a Transaction Document and the Company does not timely perform its related obligations within the periods therein provided, then such Purchaser may rescind or withdraw, in its sole discretion from time to time upon written notice to the Company, any relevant notice, demand or election in whole or in part without prejudice to its future actions and rights.

5.15 **Replacement of Shares.** If any certificate or instrument evidencing any Shares is mutilated, lost, stolen or destroyed, the Company shall issue or cause to be issued in exchange and substitution for and upon cancellation thereof (in the case of mutilation), or in lieu of and substitution therefor, a new certificate or instrument, but only upon receipt of evidence reasonably satisfactory to the Company of such loss, theft or destruction. The applicant for a new certificate or instrument under such circumstances shall also pay any reasonable third-party costs (including customary indemnity) associated with the issuance of such replacement Shares.

5.16 **Remedies.** In addition to being entitled to exercise all rights provided herein or granted by law, including recovery of damages, the Purchasers and the Company will be entitled to specific performance under the Transaction Documents. The parties agree that monetary damages will not be adequate compensation for any loss incurred by reason of any breach of obligations contained in the Transaction Documents and hereby agree to waive and not to assert in any Action for specific performance of any such obligation the defense that a remedy at law would be adequate.

5.17 **Payment Set Aside.** To the extent that the Company makes a payment or payments to any Purchaser pursuant to any Transaction Document or a Purchaser enforces or exercises its rights thereunder, and such payment or payments or the proceeds of such enforcement or exercise or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside, recovered from, disgorged by or are required to be refunded, repaid or otherwise restored to the Company, a trustee, receiver or any other Person under any law (including, without limitation, any bankruptcy law, state or federal law, common law or equitable cause of action), then to the extent of any such restoration the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such enforcement or setoff had not occurred.

5.18 **Usury.** To the extent it may lawfully do so, the Company hereby agrees not to insist upon or plead or in any manner whatsoever claim, and will resist any and all efforts to be compelled to take the benefit or advantage of, usury laws wherever enacted, now or at any time hereafter in force, in connection with any Action or Proceeding that may be brought by a Purchaser in order to enforce any right or remedy under any Transaction Document. Notwithstanding any provision to the contrary contained in any Transaction Document, it is expressly agreed and provided that the total liability of the Company under the Transaction Documents for payments in the nature of interest shall not exceed the maximum lawful rate authorized under applicable law (the “**Maximum Rate**”), and, without limiting the foregoing, in no event shall any rate of interest or default interest, or both of them, when aggregated with any other sums in the nature of interest that the Company may be obligated to pay under the Transaction Documents exceed such Maximum Rate. It is agreed that if the maximum contract rate of interest allowed by law and applicable to the Transaction Documents is increased or decreased by statute or any official governmental action subsequent to the date hereof, the new maximum contract rate of interest allowed by law will be the Maximum Rate applicable to the Transaction Documents from the effective date thereof forward, unless such application is precluded by applicable law.

5.19 **Liquidated Damages.** The Company’s obligations to pay any partial liquidated damages or other amounts owing under the Transaction Documents is a continuing obligation of the Company and shall not terminate until all unpaid partial liquidated damages and other amounts have been paid notwithstanding the fact that the instrument or security pursuant to which such partial liquidated damages or other amounts are due and payable shall have been canceled.

5.20 **Exculpation of the Placement Agent.** Each party hereto agrees for the express benefit of the Placement Agent, its affiliates and their representatives that:

(a) Neither the Placement Agent nor its affiliates or representatives (i) have any duties or obligations other than those specifically set forth herein or in the Engagement Letter; (ii) shall be liable for any improper payment made in accordance with the information provided by the Company; (iii) make any representation or warranty, or have any responsibilities as to the validity, accuracy, value or genuineness of any information, certificates or documentation delivered by or on behalf of the Company pursuant to this Agreement or the Transaction Documents or in connection with any of the transactions; or (iv) shall be liable (A) for any action taken, suffered or omitted by any of them in good faith and reasonably believed to be authorized or within the discretion or rights or powers conferred upon it by this Agreement or any Transaction Document or (B) for anything which any of them may do or refrain from doing in connection with this Agreement or any Transaction Document, except for such party’s own fraud, gross negligence, willful misconduct, breach of agreement, violation of applicable law or bad faith.

(b) The Placement Agent, its affiliates and their representatives shall be entitled to (i) rely on, and shall be protected in acting upon, any certificate, instrument, opinion, notice, letter or any other document or security delivered to any of them by or on behalf of the Company, and (ii) be indemnified by the Company for acting as Placement Agent, hereunder pursuant the indemnification provisions set forth in the Engagement Letter.

5.21 **Saturdays, Sundays, Holidays, etc.** If the last or appointed day for the taking of any action or the expiration of any right required or granted herein shall not be a Business Day, then such action may be taken or such right may be exercised on the next succeeding Business Day.

5.22 **Construction.** The parties agree that each of them and/or their respective counsel have reviewed and had an opportunity to revise the Transaction Documents and, therefore, the normal rule of construction to the effect that any ambiguities are to be resolved against the drafting party shall not be employed in the interpretation of the Transaction Documents or any amendments thereto. In addition, each and every reference to share prices and shares of Common Stock in any Transaction Document shall be subject to adjustment for reverse and forward stock splits, stock dividends, stock combinations and other similar transactions of the Common Stock that occur after the date of this Agreement. In this Agreement, unless the context otherwise requires: (i) whenever required by the context, any pronoun used in this Agreement shall include the corresponding masculine, feminine or neuter forms, and the singular form of nouns, pronouns and verbs shall include the plural and vice versa; (ii) “including” (and with correlative meaning “include”) means including without limiting the generality of any description preceding or succeeding such term and shall be deemed in each case to be followed by the words “without limitation”; and (iii) the words “herein”, “hereto” and “hereby” and other words of similar import in this Agreement shall be deemed in each case to refer to this Agreement as a whole and not to any particular portion of this Agreement.

5.23 **WAIVER OF JURY TRIAL. IN ANY ACTION, SUIT, OR PROCEEDING IN ANY JURISDICTION BROUGHT BY ANY PARTY AGAINST ANY OTHER PARTY, THE PARTIES EACH KNOWINGLY AND INTENTIONALLY, TO THE GREATEST EXTENT PERMITTED BY APPLICABLE LAW, HEREBY ABSOLUTELY, UNCONDITIONALLY, IRREVOCABLY AND EXPRESSLY WAIVES FOREVER TRIAL BY JURY.**

5.24 **Independent Nature of Purchasers' Obligations and Rights.** The obligations of each Purchaser hereunder are several and not joint with the obligations of any other Purchaser hereunder, and no Purchaser shall be responsible or disadvantaged in any way for the performance, or failure thereof, of the obligations of any other Purchaser hereunder. Nothing contained herein or in any other agreement or document delivered at any closing, and no action taken by any Purchaser pursuant hereto or thereto, shall be deemed to constitute the Purchasers as a partnership, an association, a joint venture or any other kind of group or entity, or create a presumption that the Purchasers are in any way acting in concert or as a group or entity with respect to such obligations or the transactions contemplated by this Agreement or any other matters, and the Company acknowledges that the Purchasers are not acting in concert or as a group, and the Company shall not assert any such claim, with respect to such obligations or transactions. Each Purchaser shall be entitled to protect and enforce its rights, including, without limitation, the rights arising out of this Agreement, and it shall not be necessary for any other Purchaser to be joined as an additional party in any proceeding for such purpose. The use of a single agreement with respect to the obligations of the Company was solely in the control of the Company, not the action or decision of any Purchaser, and was done solely for the convenience of the Company and not because it was required or requested to do so by any Purchaser. It is expressly understood and agreed that each provision contained in this Agreement is between the Company and each Purchaser, solely, and not between the Company and the Purchasers collectively and not between and among Purchasers.

5.25 **Non-Recourse.** Notwithstanding anything that may be expressed or implied in this Agreement, the Company covenants, agrees and acknowledges that no recourse under this Agreement or any documents or instruments delivered in connection with this Agreement shall be had against any current or future director, officer, employee, stockholder general or limited partner or member of the Purchasers or of any affiliates or assignees thereof, whether by the enforcement of any assessment or by any legal or equitable proceeding, or by virtue of any statute, regulation or other applicable law, it being expressly agreed and acknowledged that no personal liability whatsoever shall attach to, be imposed on or otherwise be incurred by any current or future director, officer, employee, stockholder, general or limited partner or member of the Purchasers or of any affiliates or assignees thereof, as such for any obligation of the Purchasers under this Agreement or any documents or instruments delivered in connection with this Agreement for any claim based on, in respect of or by reason of such obligations or their creation.

FORM OF REGISTRATION RIGHTS AGREEMENT

This REGISTRATION RIGHTS AGREEMENT (this “Agreement”) is made and entered into as of February [•], 2026 by and between Intuitive Machines, Inc., a Delaware corporation (the “Company”), and each of the investors identified on the signature page hereto (including its respective successors and assigns and any affiliate or permitted transferee who is a subsequent holder of Registrable Securities (as defined below), the “Investors” and each an “Investor”).

WHEREAS, Company and Investor are parties to the Securities Purchase Agreement, dated as of February 25, 2026, between the Company and each of the Investors identified on the signature pages thereto (the “Purchase Agreement”). Capitalized terms used herein have the respective meanings ascribed thereto in the Purchase Agreement unless otherwise defined herein.

The parties hereby agree as follows:

1. Certain Definitions.

As used in this Agreement, the following terms shall have the following meanings:

“1933 Act” means the Securities Act of 1933, as amended, and the rules and regulations thereunder, or any similar successor statute.

“1934 Act” means the Securities Exchange Act of 1934, as amended, and the rules and regulations thereunder, or any similar successor statute.

“GAAP” means the accounting principles that are generally accepted in the United States of America, in effect from time to time.

“Prospectus” means (i) the prospectus included in any Registration Statement, as amended or supplemented by any prospectus supplement, with respect to the terms of the offering of any portion of the Registrable Securities covered by such Registration Statement and by all other amendments and supplements to the prospectus, including post-effective amendments and all material incorporated by reference in such prospectus, and (ii) any “free writing prospectus” as defined in Rule 405 under the 1933 Act.

“Register,” “registered” and “registration” refer to a registration made by preparing and filing a Registration Statement or similar document in compliance with the 1933 Act, and the declaration or ordering of effectiveness of such Registration Statement or document.

“Registrable Securities” means (i) the Shares and (ii) any other shares of Common Stock issued as a dividend or other distribution with respect to, in exchange for or in replacement of the Shares, whether by merger, charter amendment or otherwise; provided, however, that any such Registrable Securities shall cease to be Registrable Securities (and the Company shall not be required to maintain the effectiveness of any, or file another, Registration Statement hereunder with respect thereto) upon the first to occur of (A) a Registration Statement with respect to the sale of such Registrable Securities being declared effective by the SEC under the 1933 Act and such Registrable Securities having been disposed of by the holder thereof in accordance with such effective Registration Statement, (B) such Registrable Securities having been sold in accordance with Rule 144 (or another exemption from the registration requirements of the 1933 Act) and (C) such Registrable Securities becoming eligible for resale without volume or manner-of-sale restrictions and without current public information requirements pursuant to Rule 144.

“Registration Statement” means any registration statement of the Company under the 1933 Act that covers the resale of any of the Registrable Securities pursuant to the provisions of this Agreement, amendments and supplements to such Registration Statement, including post-effective amendments, all exhibits and all material incorporated by reference in such Registration Statement.

“Required Investors” means the Investors holding a majority of the Registrable Securities outstanding from time to time.

“SEC” means the U.S. Securities and Exchange Commission.

“SEC Guidance” means (i) any publicly available written or oral guidance of the SEC staff, or any comments, requirements or requests of the SEC staff and (ii) the 1933 Act.

2. Registration.

(a) Registration Statements.

(i) No later than April 1, 2026 (the “Filing Deadline”), the Company shall prepare and file with the SEC a Registration Statement covering the resale of all of the Registrable Securities. Subject to any SEC comments, such Registration Statement shall include the intended plan of distribution which shall include all manners of distribution as the holders of Registrable Securities may reasonably request and as permitted by law. Such Registration Statement also shall cover, to the extent allowable under the 1933 Act and the rules promulgated thereunder (including Rule 416), such indeterminate number of additional shares of Common Stock resulting from stock splits, stock dividends or similar transactions with respect to the Registrable Securities. Such Registration Statement shall not include any shares of Common Stock or other securities for the account of any other holder without the prior written consent of the Required Investors. Such Registration Statement (and each amendment or supplement thereto, and each request for acceleration of effectiveness thereof) shall be provided in accordance with Section 3(c) to the Investors prior to its filing or other submission.

(ii) The Company shall use commercially reasonable efforts to register the Registrable Securities on Form S-3 if such form is available for use by the Company; provided, that if at such time the Registration Statement is on Form S-1, the Company shall maintain the effectiveness of the Registration Statement then in effect until such time as a Registration Statement on Form S-3 covering the Registrable Securities has been declared effective by the SEC.

(b) Expenses. The Company will pay all expenses associated with each Registration Statement, including filing and printing fees, the Company’s counsel and accounting fees and expenses, costs associated with clearing the Registrable Securities for sale under applicable state securities laws and listing fees, but excluding discounts, commissions, fees of underwriters, selling brokers, dealer managers or similar securities industry professionals with respect to the Registrable Securities being sold. Except as provided in Section 5 hereof, the Company shall not be responsible for legal fees incurred by holders of Registrable Securities in connection with the performance of its rights and obligations under the Transaction Documents.

(c) Effectiveness.

(i) The Company shall use commercially reasonable efforts to have the Registration Statement declared effective as soon as reasonably practicable after the filing thereof and in any case not more than thirty (30) days following the filing thereof, unless the SEC reviews the Registration Statement, in which case not more than sixty (60) days following the filing thereof. Not later than 5:30 p.m. (Eastern time) on the second Business Day following the date on which the SEC determines not to review the Registration Statement or completes its review of the Registration Statement, the Company shall request that the SEC accelerate the effectiveness of the Registration Statement to two (2) Business Days thereafter. Not later than 5:30 p.m. (Eastern time) on the second Business Day following the date on which the Registration Statement is declared effective by the SEC, the Company shall file with the SEC, in accordance with Rule 424 under the 1933 Act, the final prospectus to be used in connection with sales pursuant to such Registration Statement. The Company shall notify the Investors as promptly as practicable, and in any event, within one (1) Business Day, after any Registration Statement is declared effective.

(ii) Notwithstanding anything to the contrary contained herein, (i) the Company shall not be required to file a Registration Statement (or any amendment thereto) or, if a Registration Statement has been filed but not declared effective by the SEC, request effectiveness of such Registration Statement, for a period of up to

forty-five (45) days, if (A) the negotiation or consummation of a transaction by the Company is pending or an event has occurred, which negotiation, consummation or event the Board of Directors reasonably determines would require additional disclosure by the Company in the Registration Statement of material information that the Company has a bona fide business purpose for keeping confidential and the non-disclosure of which in the Registration Statement would be expected, in the reasonable determination of the Board of Directors, upon the advice of legal counsel, to cause the Registration Statement to fail to comply with applicable disclosure requirements or (B) the Company determines such registration would render the Company unable to comply with applicable securities laws; and (ii) the Company may, upon written notice to any holder of Registrable Securities included in a Registration Statement, suspend the use of any Registration Statement, including any Prospectus that forms a part of a Registration Statement, if (x) the negotiation or consummation of a transaction by the Company is pending or an event has occurred, which negotiation, consummation or event the Board of Directors reasonably determines would require additional disclosure by the Company in the Registration Statement of material information that the Company has a bona fide business purpose for keeping confidential and the non-disclosure of which in the Registration Statement would be expected, in the reasonable determination of the Board of Directors, upon the advice of legal counsel, to cause the Registration Statement to fail to comply with applicable disclosure requirements, or (y) the Company determines it must amend or supplement the Registration Statement or the related Prospectus so that such Registration Statement or Prospectus shall not include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the case of the Prospectus in light of the circumstances under which they were made, not misleading. Notwithstanding the foregoing, in no event shall (a) holders of Registrable Securities be suspended from selling Registrable Securities pursuant to the Registration Statement for a period that exceeds forty-five (45) consecutive calendar days or sixty (60) total calendar days in any one-year period (any such suspension contemplated by this Section 2(c)(ii), an “Allowed Delay”) or (b) the Company be entitled to impose more than two (2) Allowed Delays in any one-year period. Upon disclosure of such information or the termination of the condition described above, the Company shall provide prompt notice to holders whose Registrable Securities are included in the Registration Statement, and shall promptly terminate any suspension of sales it has put into effect and shall take such other reasonable actions to permit registered sales of Registrable Securities as contemplated hereby.

(d) Rule 415; Cutback. If at any time the SEC takes the position that the offering of some or all of the Registrable Securities in a Registration Statement is not eligible to be made on a delayed or continuous basis under the provisions of Rule 415 under the 1933 Act (provided, however, the Company shall be obligated to use commercially reasonable efforts to advocate with the SEC for the registration of all of the Registrable Securities in accordance with the SEC Guidance, including without limitation, Compliance and Disclosure Interpretation 612.09) or requires any Investor to be named as an “underwriter,” the Company shall (i) promptly notify each holder of Registrable Securities thereof and (ii) make commercially reasonable efforts to persuade the SEC that the offering contemplated by such Registration Statement is a valid secondary offering and not an offering “by or on behalf of the issuer” as defined in Rule 415 and that none of the Investors is an “underwriter.” In the event that, despite the Company’s commercially reasonable efforts and compliance with the terms of this Section 2(d), the SEC refuses to alter its position, the Company shall (i) remove from such Registration Statement such portion of the Registrable Securities and/or (ii) agree to such restrictions and limitations on the registration and resale of the Registrable Securities as the SEC may require to assure the Company’s compliance with the requirements of Rule 415 (collectively, the “SEC Restrictions”); provided, however, that the Company shall not name any Investor as an “underwriter” in such Registration Statement without the prior written consent of such Investor (provided, that in the event an Investor withholds such consent, the Company shall have no obligation hereunder to include any Registrable Securities of such Investor in any Registration Statement covering the resale thereof until such time as the SEC no longer requires such Investor to be named as an “underwriter” in such Registration Statement or such Investor otherwise consents in writing to being so named). Any cutback imposed on the Investors pursuant to this Section 2(d), shall be allocated among the Investors on a pro rata basis (based upon the relative number of Registrable Securities held by each Investor) and shall be applied first to any of the Registrable Securities of such Investor as such Investor shall designate, unless the SEC Restrictions otherwise require or provide or the Investors otherwise agree.

(e) Other Limitations. Notwithstanding any other provision herein or in the Purchase Agreement, with respect to any Investor (as to such Investor only) the Filing Deadline for a Registration Statement shall be extended and any failure by the Company to maintain a Registration Statement shall be automatically waived by no action of the Investors, in each case, without default by or liquidated damages payable by the Company to such Investor hereunder in the event that the Company’s failure to make such filing or failure to maintain a Registration Statement results from the failure of such Investor to timely provide the Company with information requested by the Company

and necessary to complete a Registration Statement in accordance with the requirements of the 1933 Act (in which case any such deadline would be extended, and a maintenance failure waived, with respect to all Registrable Securities until forty-five (45) days after such time as the Investor provides such requested information), it being understood that the failure of such Investor to timely provide such information to the Company shall not affect the rights of other Investors herein.

3. Company Obligations. The Company will use commercially reasonable efforts to effect the registration of the Registrable Securities in accordance with the terms hereof, and pursuant thereto the Company will, as expeditiously as possible:

(a) use commercially reasonable efforts to cause such Registration Statement to become effective and to remain continuously effective (and the prospectus contained therein available for use) pursuant to Rule 415 for resales by the Investors on a delayed or continuous basis at all times until (i) such time as there are no longer Registrable Securities held by the Investors or (ii) the fifth anniversary following the Closing Date (the “Effectiveness Period”) and advise the Investors promptly in writing when the Effectiveness Period has expired;

(b) prepare and file with the SEC such amendments and post-effective amendments to such Registration Statement and the related Prospectus as may be necessary to keep such Registration Statement effective for the Effectiveness Period and to comply with the provisions of the 1933 Act and the 1934 Act with respect to the distribution of all of the Registrable Securities covered thereby;

(c) provide via email to the Investors who have supplied the Company with email addresses each Registration Statement and all amendments and supplements thereto not less than two (2) Trading Days prior to their filing with the SEC and reflect in each such document when so filed with the SEC such comments regarding the Investors and the plan of distribution as the Investors may reasonably and promptly propose no later than one (1) Trading Day after the Investors have been so furnished with copies of such documents as aforesaid;

(d) furnish to each Investor whose Registrable Securities are included in any Registration Statement (i) promptly after the same is prepared and filed with the SEC, if requested by such Investor, one (1) copy of any Registration Statement and any amendment thereto, each preliminary prospectus and Prospectus and each amendment or supplement thereto, and (ii) if requested by such Investor, such number of copies of a Prospectus, including a preliminary prospectus, and all amendments and supplements thereto and such other documents as each Investor may reasonably request in order to facilitate the disposition of the Registrable Securities owned by such Investor (it being understood and agreed that such documents, or access thereto, may be provided electronically);

(e) use commercially reasonable efforts to (i) prevent the issuance of any stop order or other suspension of effectiveness or the suspension of the qualification, or the loss of an exemption from qualification, of any of the Registrable Securities for sale in any jurisdiction, and, (ii) if such order is issued, obtain the withdrawal of any such order at the earliest possible moment;

(f) prior to any public offering of Registrable Securities, use commercially reasonable efforts to assist or cooperate with the Investors and their counsel in connection with their registration or qualification of such Registrable Securities for the offer and sale under the securities or blue sky laws of such jurisdictions reasonably requested by the Investors and do any and all other commercially reasonable acts or things necessary or advisable to enable the public offering or distribution in such jurisdictions of the Registrable Securities covered by the Registration Statement; provided, however, that the Company shall not be required in connection therewith or as a condition thereto to (i) qualify to do business in any jurisdiction where it would not otherwise be required to qualify but for this Section 3(f), (ii) subject itself to general taxation in any jurisdiction where it would not otherwise be so subject but for this Section 3(f), or (iii) file a general consent to service of process in any such jurisdiction;

(g) use commercially reasonable efforts to cause all Registrable Securities covered by a Registration Statement to be listed on Nasdaq (or the Trading Market on which the Common Stock is then listed);

(h) promptly notify the Investors, at any time prior to the end of the Effectiveness Period, (1) when a Registration Statement has become effective and when any post-effective amendments and supplements thereto

become effective, (2) of any request by the Commission or any state securities authority for post-effective amendments and supplements to a Registration Statement and Prospectus or for additional information after the Registration Statement has become effective, (3) of the issuance by the Commission or any state securities authority of any stop order suspending the effectiveness of a Registration Statement or the initiation of any proceedings for that purpose and (4) upon discovery that, or upon the happening of any event as a result of which, the Prospectus contains an untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing (provided, that such notice shall not, without the prior written consent of an Investor, disclose any material non-public information regarding the Company), and as promptly as reasonably practicable, prepare, file with the SEC and furnish to such holder a supplement to or an amendment of such Prospectus as may be necessary so that such Prospectus shall not include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing; and

(i) otherwise use commercially reasonable efforts to comply with all applicable rules and regulations of the SEC under the 1933 Act and the 1934 Act, including, without limitation, Rule 172 under the 1933 Act, file any final Prospectus, including any supplement or amendment thereof, with the SEC pursuant to Rule 424 under the 1933 Act, promptly inform the Investors in writing if, at any time during the Effectiveness Period, the Company does not satisfy the conditions specified in Rule 172 and, as a result thereof, the Investors are required to deliver a Prospectus in connection with any disposition of Registrable Securities and take such other actions as may be reasonably necessary to facilitate the registration of the Registrable Securities hereunder.

4. Obligations of the Investors.

(a) Each Investor shall deliver to the Company a selling stockholder questionnaire, in the form set forth on Annex A hereto, prior to the Closing Date. Each Investor shall additionally furnish in writing to the Company such other information regarding itself, the Registrable Securities held by it and the intended method of disposition of the Registrable Securities held by it, as shall be reasonably required to effect the registration of such Registrable Securities and shall execute such documents in connection with such registration as the Company may reasonably request. At least three (3) Business Days prior to the first anticipated filing date of any Registration Statement, the Company shall notify each Investor of the additional information the Company requires from such Investor if such Investor elects to have any of the Registrable Securities included in such Registration Statement (the "Registration Information Notice"). An Investor shall provide such information to the Company no later than two (2) Business Days following receipt of a Registration Information Notice if such Investor elects to have any of the Registrable Securities included in such Registration Statement. It is agreed and understood that it shall be a condition precedent to the obligations of the Company to complete the registration pursuant to this Agreement with respect to the Registrable Securities of a particular Investor that such Investor furnish to the Company such information regarding itself, the Registrable Securities held by it and the intended method of disposition of the Registrable Securities held by it as shall be reasonably required to effect the effectiveness of the registration of such Registrable Securities.

(b) Each Investor, by its acceptance of the Registrable Securities, agrees to cooperate with the Company as reasonably requested by the Company in connection with the preparation and filing of a Registration Statement hereunder, unless such Investor has notified the Company in writing of its election to exclude all of its Registrable Securities from such Registration Statement.

(c) Each Investor agrees that, upon receipt of any notice from the Company (which notice shall not include material non-public information) of either (i) the commencement of an Allowed Delay pursuant to Section 2(c)(ii) or (ii) the happening of an event pursuant to Section 3(h) hereof, such Investor will immediately discontinue disposition of Registrable Securities pursuant to any Registration Statement covering such Registrable Securities, until the Investor is advised by the Company that such dispositions may again be made.

(d) Each Investor covenants and agrees that it will comply with the prospectus delivery requirements of the 1933 Act as applicable to it or an exemption therefrom in connection with sales of Registrable Securities pursuant to any Registration Statement.

5. Indemnification.

(a) Indemnification by the Company. The Company will indemnify and hold harmless each Investor and its officers, directors, members, managers, partners and agents and successors and assigns, and each other Person, if any, who controls such Investor (within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act) and the officers, directors, partners, members and managers of each such controlling Person (each, an “Indemnified Party”), against any losses, claims, damages, liabilities, costs (including, without limitation, reasonable external attorneys’ fees) and expenses (collectively, “Losses”), insofar as such Losses arise out of or are based upon any untrue statement or alleged untrue statement or omission or alleged omission of any material fact contained in any Registration Statement, any preliminary Prospectus or final Prospectus, or any amendment or supplement thereof, any violation or alleged violation by the Company of the 1933 Act, the 1934 Act, any other law, including, without limitation, any state securities law, or any rule or regulation thereunder relating to the offer or sale of the Registrable Securities pursuant to a Registration Statement or any violation of this Agreement (collectively, “Violations” and shall reimburse each Indemnified Party upon demand for reasonable and documented fees and expenses of counsel and other expenses incurred by it in connection with investigating, preparing to defend or defending, or providing evidence in or preparing to serve or serving as a witness with respect thereto); provided, however, that the Company will not be liable in any such case if and to the extent that any such claim arises out of or is based upon (i) an untrue statement or alleged untrue statement or omission or alleged omission so made in conformity with information furnished by such Investor or any such controlling person in writing specifically for use in such Registration Statement or Prospectus and was reviewed and approved in writing by such Investor expressly for use in the Registration Statement, (ii) the use by an Investor of an outdated or defective Prospectus after the Company has notified such Investor in writing that such Prospectus is outdated or defective or (iii) an Investor’s failure to send or give a copy of the Prospectus or supplement (as then amended or supplemented), if required (and not exempted) to the Persons asserting an untrue statement or omission or alleged untrue statement or omission at or prior to the written confirmation of the sale of Registrable Securities.

(b) Indemnification by the Investors. Each Investor agrees, severally and not jointly, to indemnify and hold harmless, to the fullest extent permitted by law, the Company, its officers, directors, members, managers, partners and agents and successors and assigns and each Person who controls the Company (within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act), and the officers, directors, partners, members and managers of each such controlling Person, against any Losses resulting from any Violations, to the extent that such untrue statement or omission is contained in any information regarding such Investor and furnished in writing by such Investor to the Company specifically for inclusion in such Registration Statement or Prospectus or amendment or supplement thereto and was reviewed and approved in writing by such Investor expressly for use in such Registration Statement or Prospectus or amendment or supplement thereto. In no event shall the aggregate liability of an Investor under this Section 5 be greater than the dollar amount of the proceeds (net of all expenses paid by such Investor in connection with a claim relating to this Section 5 and the amount of any damages such Investor has otherwise been required to pay by reason of such untrue statement or omission) received by such Investor upon the sale of the Registrable Securities included in such Registration Statement giving rise to such indemnification obligation.

(c) Conduct of Indemnification Proceedings. Any person entitled to indemnification hereunder shall (i) give prompt notice to the indemnifying party of any claim with respect to which it seeks indemnification and (ii) permit such indemnifying party to assume the defense of such claim with counsel reasonably satisfactory to the Indemnified Party; provided, that any person entitled to indemnification hereunder shall have the right to employ separate counsel and to participate in the defense of such claim, but the fees and expenses of such counsel shall be at the expense of such person unless (A) the indemnifying party has agreed in writing to pay such fees or expenses, (B) the indemnifying party shall have failed to assume the defense of such claim and employ counsel reasonably satisfactory to such person or (C) in the reasonable judgment of any such person, based upon written advice of its counsel, a material conflict of interest exists between such person and the indemnifying party with respect to such claims (in which case, if the person notifies the indemnifying party in writing that such person elects to employ separate counsel at the expense of the indemnifying party, the indemnifying party shall not have the right to assume the defense of such claim on behalf of such person); and provided, further that the failure of any Indemnified Party to give notice as provided herein shall not relieve the indemnifying party of its obligations hereunder, except to the extent that such failure to give notice shall materially adversely affect the indemnifying party in the defense of any such claim or litigation. It is understood that the indemnifying party shall not, in connection with any proceeding in the same jurisdiction, be liable for fees or expenses of more than one separate firm of attorneys at any time for all such indemnified parties. No indemnifying party will, except with the consent of the Indemnified Party, which consent shall not be unreasonably withheld, conditioned or delayed, consent to entry of any judgment or enter into any

settlement unless such judgment or settlement (i) imposes no liability or obligation on, (ii) includes as an unconditional term thereof the giving of a complete, explicit and unconditional release from the party bringing such indemnified claims of all liability of the Indemnified Party in respect of such claim or litigation in favor of, and (iii) does not include any admission of fault, culpability, wrongdoing or malfeasance by or on behalf of, the Indemnified Party. No Indemnified Party will, except with the prior written consent of the indemnifying party, which consent shall not be unreasonably withheld, conditioned or delayed, consent to entry of any judgment or enter into any settlement and no indemnifying party shall be liable for any such settlement or consent to entry of judgment entered into by such Indemnified Party without its consent.

(d) Contribution. If for any reason the indemnification provided for in the preceding paragraphs (a) and (b) is unavailable to an Indemnified Party or insufficient to hold it harmless, other than as expressly specified therein, then the indemnifying party shall contribute to the amount paid or payable by the Indemnified Party as a result of such claim in such proportion as is appropriate to reflect the relative fault of the Indemnified Party and the indemnifying party, as well as any other relevant equitable considerations. The relative fault of such indemnifying party and Indemnified Party shall be determined by reference to, among other things, whether any action in question, including any untrue or alleged untrue statement of a material fact or omission or alleged omission of a material fact, has been taken or made by, or relates to information supplied by, such indemnifying party or Indemnified Party, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such action, statement or omission. The amount paid or payable by a party as a result of any Losses shall be deemed to include, subject to the limitations set forth in this Agreement, any reasonable attorneys' or other fees or expenses incurred by such party in connection with any Proceeding to the extent such party would have been indemnified for such fees or expenses if the indemnification provided for in this Section 5 was available to such party in accordance with its terms. No person guilty of fraudulent misrepresentation within the meaning of Section 11(f) of the 1933 Act shall be entitled to contribution from any person not guilty of such fraudulent misrepresentation. In no event shall the contribution obligation of a holder of Registrable Securities under this Section 5(d) together with all of its other obligations under this Section 5 be greater in amount than the dollar amount of the proceeds (net of all expenses paid by such holder in connection with any claim relating to this Section 5 and the amount of any damages such holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission) received by it upon the sale of the Registrable Securities giving rise to such contribution obligation.

6. Miscellaneous.

(a) Amendments and Waivers. This Agreement may be amended only by a writing signed by the Company and the Required Investors; provided, that this Agreement may not be amended with respect to any Investor without the written consent of such Investor. The Company may take any action herein prohibited, or omit to perform any act herein required to be performed by it, only if the Company shall have obtained the written consent to such amendment, action or omission to act, of the Required Investors; provided, that any such action or omission that complies with the foregoing, but that disproportionately and adversely affects the rights and obligations of any Investor relative to the comparable rights and obligations of the other Investors shall require the prior written consent of such adversely affected Investor or each Investor, as applicable.

(b) Rule 144. The Company shall use its commercially reasonable efforts to (i) file with the SEC in a timely manner all reports and other documents required to be filed by it under the 1933 Act and the 1934 Act, (ii) make and keep adequate current public information available within the meaning of Rule 144 and (iii) take such further action as the Investors may reasonably request, all to the extent required to enable such Persons to sell securities pursuant to Rule 144 or any similar rule or regulation hereafter adopted by the SEC.

(c) Notices. All notices and other communications provided for or permitted hereunder shall be made as set forth in Section 5.4 of the Purchase Agreement.

(d) Assignments and Transfers by Investors. The provisions of this Agreement shall be binding upon and inure to the benefit of the Investors and their respective successors and permitted assigns. An Investor may transfer or assign, in whole or from time to time in part, to one or more persons its rights or delegate its obligations hereunder in connection with the transfer of Registrable Securities by such Investor to such person, provided that (I) immediately following such transfer or assignment the further disposition of such securities by the transferee or assignee is restricted under the 1933 Act or applicable state securities laws; (II) such transfer shall have been made in

accordance with the applicable requirements of the Purchase Agreement; and (III) prior to such assignment (i) the Investor agrees in writing with the transferee or assignee to assign such rights and delegate such obligations and a copy of such agreement is furnished to the Company; (ii) the Company is furnished with written notice of (A) the name and address of such transferee or assignee and (B) the securities with respect to which such registration rights are being transferred or assigned; (iii) at or before the time the Company receives the written notice contemplated by clause (ii) of this sentence the transferee or assignee agrees in writing with the Company to be bound by all of the provisions contained herein.

(e) Assignments and Transfers by the Company. This Agreement may not be assigned by the Company (whether by operation of law or otherwise) without the prior written consent of the Required Investors; provided, however, that this Agreement may not be amended with respect to any Investor in a materially adverse and non pro rata manner without the written consent of such Investor.

(f) Benefits of the Agreement. The terms and conditions of this Agreement shall inure to the benefit of and be binding upon the respective permitted successors and assigns of the parties. Nothing in this Agreement, express or implied, is intended to confer upon any party other than the parties hereto or their respective successors and assigns any rights, remedies, obligations, or liabilities under or by reason of this Agreement, except as expressly provided in this Agreement.

(g) Counterparts. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Counterparts may be delivered via electronic mail (including pdf or any electronic signature complying with the U.S. ESIGN Act of 2000, *e.g.*, www.docuSign.com) or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes.

(h) Titles and Subtitles. The titles and subtitles used in this Agreement are used for convenience only and are not to be considered in construing or interpreting this Agreement.

(i) Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof but shall be interpreted as if it were written so as to be enforceable to the maximum extent permitted by applicable law, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. To the extent permitted by applicable law, the parties hereby waive any provision of law which renders any provisions hereof prohibited or unenforceable in any respect.

(j) Further Assurances. The parties shall execute and deliver all such further instruments and documents and take all such other actions as may reasonably be required to carry out the transactions contemplated hereby and to evidence the fulfillment of the agreements herein contained.

(k) Entire Agreement. The Transaction Documents, together with the exhibits and schedules thereto, are intended by the parties as a final expression of their agreement and intended to be a complete and exclusive statement of the agreement and understanding of the parties hereto and thereto in respect of the subject matter contained herein and therein. The Transaction Documents supersede all prior agreements and understandings between the parties with respect to the subject matter hereof and thereof.

(l) Use of Single Agreement. For ease of administration, this single Agreement is being executed so as to enable each Investor identified on the signature page of the Purchase Agreement to enter into an Agreement, severally, but not jointly. The parties agree that (i) this Agreement shall be treated as if it were a separate agreement with respect to each Investor listed on the signature page of the Purchase Agreement, as if each Investor entity had executed a separate Agreement naming only itself as Investor, and (ii) no Investor listed on the signature page of the Purchase Agreement shall have any liability under this Agreement for obligations of any other Investor so listed.

(m) Governing Law; Consent to Jurisdiction; Waiver of Jury Trial. All questions concerning the construction, validity, enforcement and interpretation of the Transaction Documents shall be governed by and construed and enforced in accordance with the internal laws of the State of New York. Each party agrees that it shall

commence any Actions or Proceedings concerning the interpretations, enforcement and defense of the transactions contemplated by this Agreement and any other Transaction Documents (whether brought against a party hereto or its respective affiliates, directors, officers, shareholders, partners, members, employees or agents) exclusively in the state and federal courts sitting in the State of New York. Each party hereby irrevocably submits to the exclusive jurisdiction of the state and federal courts sitting in the State of New York for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein (including with respect to the enforcement of any of the Transaction Documents), and hereby irrevocably waives, and agrees not to assert in any Action or Proceeding, any claim that it is not personally subject to the jurisdiction of any such court, that such Action or Proceeding is improper or is an inconvenient venue for such Proceeding. Each party hereby irrevocably waives personal service of process and consents to process being served in any such Action or Proceeding by mailing a copy thereof via registered or certified mail or overnight delivery (with evidence of delivery) to such party at the address in effect for notices to it under this Agreement and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any other manner permitted by law. IN ANY ACTION, SUIT, OR PROCEEDING IN ANY JURISDICTION BROUGHT BY ANY PARTY AGAINST ANY OTHER PARTY, THE PARTIES EACH KNOWINGLY AND INTENTIONALLY, TO THE GREATEST EXTENT PERMITTED BY APPLICABLE LAW, HEREBY ABSOLUTELY, UNCONDITIONALLY, IRREVOCABLY AND EXPRESSLY WAIVES FOREVER TRIAL BY JURY.

(n) Remedies. In addition to being entitled to exercise all rights provided herein or granted by law, including recovery of damages, each of the Investors and the Company will be entitled to specific performance under the Transaction Documents.

(o) Interpretation. Wherever required by the context of this Agreement, the singular shall include the plural and vice versa, and the masculine gender shall include the feminine and neuter genders and vice versa, and references to any agreement, document or instrument shall be deemed to refer to such agreement, document or instrument as amended, supplemented or modified from time to time. All article, section, paragraph or clause references not attributed to a particular document shall be references to such parts of this Agreement, and all exhibit, annex, letter and schedule references not attributed to a particular document shall be references to such exhibits, annexes, letters and schedules to this Agreement. In addition, the word “or” is not exclusive; the words “including,” “includes,” “included” and “include” are deemed to be followed by the words “without limitation”; and the terms “herein,” “hereof” and “hereunder” and other words of similar import refer to this Agreement as a whole and not to any particular section, paragraph or subdivision.

(p) Independent Nature of Investors’ Obligations and Rights. The obligations of each Investor hereunder are several and not joint with the obligations of any other Investor hereunder, and no Investor shall be responsible or disadvantaged in any way for the performance, or failure thereof, of the obligations of any other Investor hereunder. Nothing contained herein or in any other agreement or document delivered at any closing, and no action taken by any Investor pursuant hereto or thereto, shall be deemed to constitute the Investors as a partnership, an association, a joint venture or any other kind of group or entity, or create a presumption that the Investors are in any way acting in concert or as a group or entity with respect to such obligations or the transactions contemplated by this Agreement or any other matters, and the Company acknowledges that the Investors are not acting in concert or as a group, and the Company shall not assert any such claim, with respect to such obligations or transactions. Each Investor shall be entitled to protect and enforce its rights, including without limitation the rights arising out of this Agreement, and it shall not be necessary for any other Investor to be joined as an additional party in any proceeding for such purpose. The use of a single agreement with respect to the obligations of the Company contained was solely in the control of the Company, not the action or decision of any Investor, and was done solely for the convenience of the Company and not because it was required or requested to do so by any Investor. It is expressly understood and agreed that each provision contained in this Agreement is between the Company and an Investor, solely, and not between the Company and the Investors collectively and not between and among Investors.

(q) Non-Recourse. Notwithstanding anything that may be expressed or implied in this Agreement, the Company covenants, agrees and acknowledges that no recourse under this Agreement or any documents or instruments delivered in connection with this Agreement shall be had against any current or future director, officer, employee, stockholder general or limited partner or member of the Investors or of any affiliates or assignees thereof, whether by the enforcement of any assessment or by any legal or equitable proceeding, or by virtue of any statute, regulation or

other applicable law, it being expressly agreed and acknowledged that no personal liability whatsoever shall attach to, be imposed on or otherwise be incurred by any current or future director, officer, employee, stockholder, general or limited partner or member of the Investors or of any affiliates or assignees thereof, as such for any obligation of the Investors under this Agreement or any documents or instruments delivered in connection with this Agreement for any claim based on, in respect of or by reason of such obligations or their creation.

**Intuitive Machines Advancing Satellite Communications and In-Space Data
Processing Capabilities with \$175 Million Strategic Investment**

HOUSTON, February 25, 2026 — Intuitive Machines, Inc. (Nasdaq: LUNR) (“Intuitive Machines” or the “Company”), a leading space infrastructure and services company, today announced a \$175 million strategic equity investment led by global institutional investors.

Following its acquisition of Lanteris Space Systems (“Lanteris”) in January, the Company intends to use this capital to support revenue expansion and investment in technologies to advance communications and data processing networks, including extending flight-proven satellite platforms into those growth markets.

Intuitive Machines intends to invest in expanding its Near Space Network Services (“NSNS”) and establish a solar system internet independent of Earth. Through investments in the Lanteris platforms, specifically the 1300 series, the Company believes it can grow market share in Geostationary Orbit (“GEO”), expand capability around the Moon, extend capability to Mars, and support emerging high-power on-orbit data processing and edge computing.

The Company believes this investment will enhance its ability to win and execute higher margin, recurring revenue programs such as the Golden Dome initiatives, Tracking and Data Relay Satellite System (“TDRSS”), the Mars Telecommunications Orbiter, as well as the evolving space-based orbital data center market.

In parallel, the Company is actively engaging strategic partners across the terrestrial technology sector to align space-based data centers with emerging enterprise demand.

“We are building a scalable infrastructure platform from low-Earth orbit to the Moon and into deep space,” said Intuitive Machines CEO, Steve Altemus. “With this investment, we can accelerate the integration of the combined company’s collective capabilities to deliver next-generation data, communications, and space-based infrastructure services.”

The Company continues to look forward to hearing in the near-term regarding upcoming awards, including NASA’s Lunar Terrain Vehicle Services (“LTVS”), the next Commercial Lunar Payload Services award, and follow-on Proliferated Warfighter Space Architecture satellite contracts.

The definitive securities purchase agreement with the institutional investors is for the issuance and sale of the Company’s Class A common stock in exchange for a \$175 million equity investment. The transaction is expected to close on February 27, 2026, subject to customary closing conditions.

This press release shall not constitute an offer to sell or the solicitation of an offer to buy any of the securities described herein, nor shall there be any sale of these securities in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.
