The following action was authorized by written consent of the Majority Stockholders:

Warrant Exercise Agreement

On January 10, 2024, the Company entered into a warrant exercise agreement (the “warrant exercise agreement”) with an existing accredited investor (the “Investor”) to exercise in full an outstanding Series B Common Stock Purchase Warrant (the “Exercise”) to purchase up to an aggregate of 4,705,883 shares of the Company’s Class A common stock (the “Existing Series B Warrant”). In consideration for the immediate and full exercise of the Existing Series B Warrant for cash, the Investor received (i) a new unregistered Series A Common Stock Purchase Warrant to purchase up to an aggregate of 4,705,883 shares of the Company’s Class A common stock (the “New Series A Warrant”) and (ii) a new unregistered Series B Common Stock Purchase Warrant to purchase up to an aggregate of 4,705,883 shares of the Company’s Class A common stock (the “New Series B Warrant”) and together with the New Series A Warrant, the “New Warrants”) in a private placement pursuant to Section 4(a)(2) of the Securities Act of 1933 (the “Securities Act”) (such private placement, the “Private Placement”). In connection with the Exercise, the Company also agreed to reduce the exercise price of the Existing Series B Warrant from \$4.75 to \$2.50 per share and the exercise price of a Series A Common Stock Purchase Warrant held by the Investor, which is exercisable for up to 4,705,883 shares of the Company’s Class A common stock (the “Existing Series A Warrant” and together with the Existing Series B Warrant, the “Existing Warrants”), from \$4.75 to \$2.75 per share.

The New Series A Warrant will become exercisable commencing upon the Company’s receipt of written consent approving the adoption of the warrant exercise agreement and other actions required for the reservation of the shares of Class A Common Stock as described in the warrant exercise agreement from holders representing more than 50% of the voting power of the Company’s outstanding voting stock eligible to vote at a meeting of the Company’s stockholders in lieu of a special meeting (the “Stockholder Approval”), including following expiration of any waiting period required pursuant to Section 14C of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), with an expiration date five and one-half years after the date of the Stockholder Approval, with an exercise price per share equal to \$2.75. The New Series B Warrant will become exercisable commencing upon the Company’s receipt of final Stockholder Approval, including following expiration of any waiting period required pursuant to Section 14C of the Exchange Act, with an expiration date of 18 months after the date of the Stockholder Approval, with an exercise price per share equal to \$2.75.

The gross proceeds to the Company from the Exercise was approximately \$11.8 million, prior to deducting estimated offering expenses.

The Company is subject to the NASDAQ Stock Market’s Listing Rules because our Class A Common Stock is currently listed on the NASDAQ Capital Market (“NASDAQ”). The issuance of shares of Class A Common Stock

upon the exercise of the New Warrants (such shares, the “New Warrant Shares”) implicates certain of the NASDAQ listing standards requiring prior stockholder approval in order to maintain our listing on NASDAQ. The actions taken by written consent of the Majority Stockholders will not become effective until the date that is twenty (20) calendar days after this Information Statement is first mailed or otherwise delivered to holders of our Common Stock as of the Record Date. (the “Shareholder Approval”).

The Majority Stockholders, in accordance with NASDAQ Listing Rules 5635(d) approved the issuance of shares of Class A Common Stock issuable upon exercise of the New Warrants.

The Majority Stockholders consent we have received constitutes the only stockholder approval required under the DGCL, NASDAQ Listing Rule 5635(d), our Certificate of Incorporation and our By-Laws, to approve the issuance of the Class A Common Stock issuable upon exercise of the New Warrants. Our Board of Directors is not soliciting your consent or your proxy in connection with this action and neither consents nor proxies are being requested from stockholders.

Background

The following action was approved by the written consent of the Majority Stockholders holding approximately 89% of the voting power on January 16, 2024, in lieu of a special meeting.

Warrant Exercise Agreement

On January 10, 2024, the Company entered into a warrant exercise agreement with an Investor to Exercise the Existing Series B Warrant. In consideration for the immediate and full exercise of the Existing Series B Warrant for cash, the Investor received the New Warrants in a private placement pursuant to Section 4(a)(2) of the Securities Act. In connection with the Exercise, the Company also agreed to reduce the exercise price of the Existing Series B Warrant from \$4.75 to \$2.50 per share and the exercise price of Existing Series A Warrant from \$4.75 to \$2.75 per share.

The New Series A Warrant will become exercisable commencing upon the Company’s receipt of final Stockholder Approval, including following expiration of any waiting period required pursuant to Section 14C of the Exchange Act, with an expiration date five and one-half years after the date of the Stockholder Approval, with an exercise price per share equal to \$2.75. The New Series B Warrant will become exercisable commencing upon the Company’s receipt of final Stockholder Approval, including following expiration of any waiting period required pursuant to Section 14C of the Exchange Act, with an expiration date of 18 months after the date of the Stockholder Approval, with an exercise price per share equal to \$2.75.

The gross proceeds to the Company from the Exercise was approximately \$11.8 million, prior to deducting estimated offering expenses.

NASDAQ Listing Requirements and the Necessity of Stockholder Approval

The Company is subject to the NASDAQ Stock Market’s Listing Rules because our Class A Common Stock is currently listed on the NASDAQ Capital Market (“NASDAQ”). The issuance of the New Warrant Shares implicate certain of the NASDAQ listing standards requiring prior stockholder approval in order to maintain our listing on NASDAQ.

The Majority Stockholders, in accordance with NASDAQ Listing Rule 5635(d), approved the adoption of the warrant exercise agreement and other actions required for the reservation of the shares of Class A Common Stock as described in the warrant exercise agreement.

The Majority Stockholders consent we have received constitutes the only stockholder approval required under the DGCL, NASDAQ Listing Rule 5635(d), our Certificate of Incorporation and our By-Laws, to approve the issuance of the Class A Common Stock issuable upon exercise of the New Warrants. Our Board of Directors is not soliciting your consent or your proxy in connection with this action and neither consents nor proxies are being requested from stockholders.

The actions taken by written consent of the Majority Stockholders will not become effective until the date that is twenty (20) calendar days after this Information Statement is first mailed or otherwise delivered to holders of our Common Stock as of the Record Date.

ACTION TAKEN

This Information Statement contains a brief summary of the material aspects of the action approved by the Board of Directors of the Company and the Majority Stockholder.

APPROVAL OF THE ISSUANCE OF CLASS A COMMON STOCK UPON EXERCISE OF THE NEW WARRANTS, IN ACCORDANCE WITH APPLICABLE NASDAQ LISTING RULES

Warrant Exercise Agreement

On January 10, 2024, the Company entered into a warrant exercise agreement with an Investor to Exercise the Existing Series B Warrant. In consideration for the immediate and full exercise of the Existing Series B Warrant for cash, the Investor received the New Warrants in a private placement pursuant to Section 4(a)(2) of the Securities Act. In connection with the Exercise, the Company also agreed to reduce the exercise price of the Existing Series B Warrant from \$4.75 to \$2.50 per share and the exercise price of Existing Series A Warrant from \$4.75 to \$2.75 per share.

The New Series A Warrant will become exercisable commencing upon the Company's receipt of final Stockholder Approval, including following expiration of any waiting period required pursuant to Section 14C of the Exchange Act, with an expiration date five and one-half years after the date of the Stockholder Approval, with an exercise price per share equal to \$2.75. The New Series B Warrant will become exercisable commencing upon the Company's receipt of final Stockholder Approval, including following expiration of any waiting period required pursuant to Section 14C of the Exchange Act, with an expiration date of 18 months after the date of the Stockholder Approval, with an exercise price per share equal to \$2.75.

The gross proceeds to the Company from the Exercise was approximately \$11.8 million, prior to deducting estimated offering expenses.

The warrant purchase agreement requires the Company to satisfy the shareholder approval requirements of NASDAQ Listing Rule 5635, require the Company to file a preliminary information statement on Schedule 14C in connection with the issuance of shares in excess of Exchange Cap under the Financing Transactions with SEC within 15 calendar days of closing, and file a definitive information statement as soon as permissible.

Stockholders Entitled to Receive Notice of Action by Written Consent

Section 228 of the DGCL provides that, unless otherwise provided in the Company's Certificate of Incorporation or bylaws, any action required or permitted to be taken at a meeting of the stockholders may be taken without a meeting if, before or after the action, a written consent thereto is signed by stockholders holding at least a majority of the voting power. Neither the Company's certificate of incorporation nor its by-Laws prohibit the taking of action by its stockholders by written consent. In order to eliminate the costs and management time involved in holding a special meeting, our Board of Directors voted to utilize this provision under Delaware law and obtained the written consent of the holders of a majority in interest of our voting securities.

NASDAQ Listing Requirements and the Necessity of Stockholder Approval

The Company is subject to the NASDAQ Listing Rules because our Common Stock is currently listed on NASDAQ. The issuance of the New Warrant Shares, implicates certain of the NASDAQ listing standards requiring prior stockholder approval in order to maintain our listing on NASDAQ, as follows:

- NASDAQ Listing Rule 5635(d) requires stockholder approval prior to a transaction, other than a public offering, involving the sale, issuance or potential issuance by the issuer of common stock (or securities convertible into or exercisable for common stock), which alone or together with sales by officers, directors or substantial stockholders of the issuer, equals 20% or more of the common stock or 20% or more of the voting power outstanding before the issuance at a price that is less than the lower of (i) the closing price immediately preceding the signing of the binding agreement; or (ii) the average closing price of the common stock for the five trading days immediately preceding the signing of the binding agreement.

As a result of result of the Private Placement, the potential exists that the issuance of New Warrant Shares upon the exercise of the New Warrants could cause the Company to exceed the 20% threshold in Rule 5635(d)).

The Majority Stockholders, in accordance with NASDAQ Listing Rules 5635(d), approved the issuance of shares of Common Stock issuable upon exercise of the New Warrants.

Effective Date of Action by Written Consent

Pursuant to Rule 14c-2 promulgated under the Exchange Act, the earliest date that the corporate action being taken pursuant to the written consent can become effective is 20 calendar days after the first mailing or other delivery of this Information Statement to holders of our Common Stock as of the Record Date. On the 20th calendar day after the first mailing or other delivery of this Information Statement, the action taken by written consent of the Majority Stockholders described above will become effective. We recommend that you read this Information Statement in its entirety for a full description of the action approved by the holder of a majority of our outstanding Common Stock.

Dissenter's Rights of Appraisal

Stockholders do not have any dissenter's rights or appraisal rights in connection with the approval of the issuance of the Common Stock issuable upon the exercise of Warrants.

Costs of the Information Statement

We are mailing this Information Statement and will bear the costs associated therewith. We are not making any solicitations. We will reimburse brokerage houses, nominees, custodians, fiduciaries and other like parties for reasonable expenses incurred in sending the Information Statement to beneficial owners of our Common Stock.
